But Sir John does not Commons, on 18th January, 1884, he ber of the executive committee. said of the Privy Council's decision in Mr. O. F. Telgmann has written an it can give that power over to the muni- publishers. cipalities. This is simply the decision, alarmists had better subside for the pess. For particulars of which apply to any present. The Supreme Court has caused panic enough.

A POLICY OF DELAY.

And so the Dominion license case is to be appealed to the Privy Council. That is the right of any party to the the Privy Council will reverse a decision which is so manifestly in accord with the opinions they expressed upon the Hodge case?

It has always been a matter of regret that the highest tribunal to which Canadian disputants can go did not make their judgment more complete when they before had under consideration the rights of the province in this matter. Hodge, on behalf of all in the liquor N.B.-Designs drawn to correspond with any traffic, and at an enormous expense, learned that the local government had the power to collect fees for the sale of BOUND TO LEAD! liquor, and to pass laws regulating the boors during which there should and should not be a traffic in spirituous

> beverages. The question, Which government shall issue the licenses? was not raised and tion Army rented the hall they had in hence the omission of the Privy Coun cil to pass upon it. Common sense suggested that the government which collected the taxes and regulated the sisted by Cadet Goodhand as lieutenant. trade should also have the power to donald, in the political campaign of Beers, of Montreal, on "Canada as a "

Of course the rank and fyle of the Conservative party applauded him, echoed and re-echoed his sentiment. and built up elaborate arguments in tered at the port of Kingston, the 31st a large amount of capital, which had support of it. Sir John, in the House 206 : PRINCESS : STREET, of Commons, said his action was forced upon him by the decision in the case of Russell v. The Queen. Mr. Rykert was - APPLES willing to accept the ipse dixit of the leader of the government. Mr. Mc-Japanese Tangerenes, Velencia Carthy said there couldn't be such a thing as concurrent legislation in both the federal parliament and the local legislature, that is the federal parliament could not prohibit if it could not permit. The Mail, in one of its frantic moments, pronounced the provincial enactment illegal and felt surprised that Mr. Mowat should ask a sane people to

> sustain it. Sir John was simply more than usually reckless, and his followers were more than usually confiding. Both have learned something by experience, but at terrible expense to the country. tons. Thousands of dollars have been squandered in machinery for the enforcement of an abortive measure; thousands have been wasted in useless and unnecessary appointments; and the people | parched tonsils or any other of the unhave been out of pocket thousands more | pleasant effects which most tobaccos by the unfortunate experiment. latter were fairly bull-dozed into applyhe has ever tried is its equal and that in Dominion licenses, value for the money no other comes any for them a large sum, for which they | where near it. will get no value unless prosecution be
