NIVAL."

CHAPTER IX.

been snatched well-nigh miraculously from the jaws of death, and restored to their embrace with the strength and nounced to bear them home—it having been decided that Dick should spend the night in his present quarters, rather than risk the dangerous possibility

UNDERWEAR DEPARTMENT:

paused after the delivery of this last speech. "I think the moment is ill-timed for jesting; levity is altogether incongruous under the circumstances,

"Do you know, Dicky" interrupted Edie in mysterious tones, drawing nearer, and laying her fair head on the villow next her brother's, "that you will go henceforth by the name of 'The Haunted Man!' for Dawkins, the gardener, is sure to compare notes at the Pig and Whistle with the carriers, over a friendly glass; and really there is no discrepancy in their evidence—the statements of one and all coincide to a quite extraordinary degree."

"I am not jesting, girls, I swear!" returned Dick impatiently. "I was joking, I admit, on Christmas Eve, but now I speak gospel-truth. At the very moment of my fall I heard a voice-a tion I can scarcely tell, yet so distinct and unmistakable, that it made an impression even then upon mind and ear alike. Nell. you tell me-you appear the most reliable spokeswoman of the three-exactly what cock-and-bull story these fellows have got hold of; for, as you say, it seems not at all unlikely shall be henceforth eyed askance, if not altogether shunned, as that undesirable notoriety, popularly dubbed the haunt-

"Well," began Nell with an air of some importance, not altogether unbecoming, seeing she was appealed to as a "reliable" authority by the mystified | gains. invalid; "it seems that Jack Dawkins and his wife were sitting at supper when the door flew open (according to their story) revealing a slender girlish standing motionless on the threshold." Dick at this juncture vainand melodramatic style, suited to the supernatural character of the events it terrified, for they declare her face was hanging weirdly round her. Then presently she gasped, 'A man drowning yards from your door. Go at once to the rescue-go at once! or words to that effect." Nell corrected herself, desirous seemingly of being quite veracious. But you must imagine Jack's lingo. can't altogether imitate that! happened, his nephew was outside in Jack declared before he could so much as 'gie' 'un a call' the space was once more vacant where the girl had stoodshe had vanished as mysteriously as she had come! Well, you know the rest. Jack and the lad started off at once and wonder is. Jack says, that you'd got so far up the stream without mishap, for the ice under the shelter of the trees "Never mind all that," Dick interrupted irreverently, "I want to know about the girl! Where on earth could she have come from?

"Ah, that's what everyone wants to know," supplemented Kate: "whilst

and all gazing blankly at the hero of means the least mystified by the singumoreover," continued

cross-roads, over their ale at the publichouse last night; asserting that they nad received intimation of the disaster from a spectral being in every respect resembling the famous Burnham ghost. So Jack and his wife are already wondering whether this second marvellous interposition on your behalf may not same miraculous source. As for me, J gard the matter in what light one will

life half-a-dozen times in the blissful consciousness that this most delectable wraith will send human assistance to my aid in the very nick of time." "Ah, but bear in mind the Burnham

i ghost only walks at Christmas round about the common and cross-roads. brother with such genuine anxiety, lest he should run the fatal risk at some illadvised moment, that both the girls and Dick himself laughed heartily in when the danger was but nominal.

But Dick was not yet destined to find himself left to the luxury of solitary meditation; even as the rustle of the last retreating skirt died away, a low knock at the chamber door was followed by the entrance of no less a personage than the baronet, who, to Dick's surprise, stirred the ruddy embers in his feet upon the fender in an attitude unwonted relaxation; for it any rate in the presence of a

that th' young gent upstairs were an 'aunted man!"

perhaps, to pass the time? Well, then,

the lonely baronet must have endured unsuspected throughout long years.

It is needless to add that Dick hastnot fail to awaken in his own heart, and begged Sir Jasper to confide freely which he had so pathetically alluded. "If I can aid or serve you, sir," he conof eagerness in your cause are unnecessary on the part of one so sincerely attached and deeply indebted to you as must ever remain. "Aye, there's the rub, lad; there's the

rub!" murmured the baronet vaguely. ested, even though less mercenary, perhaps, than age. But I have given you most limitless expectations-as the phrase goes - upon the death of one who has ever sought to benefit you in life. What if the revelations and the service I am about to ask of you should appear calculated to -to injure your prospects and damp your hopes? What if--"Say no more, sir. I beg!" Dick interrupted warmly. "Have I, indeed, given you cause to think me the meanest of men, the most ungrateful and undeserving of my sex? Can you-"Ah, I wronged you, boy-I wronged

you." returned the baronet, hastily, and I ask your pardon in that, even momentarily, I was unjust to you in thought. Enough of preamble, however. Listen to the story of my youth. the sorrows of my manhood, the-the crime and duplicity of my old age!"

long, long pause. Dick well-nigh stilled his breathing, straining his ears till the tension of his nerves became almost "Dick, you may or may not have
