London, Jan. 29.—The News corresspondent says General Stewart, hoping to suppress the enemy, left Abu Klia wells on Saturday afternoon and march the river at daybreak. The rebels were gathered on the banks within an hour's march. The British were burning to make the attack, but the officers were anxious to save the men after their long tinuous fire, comparatively few of the argued on the other side they stuck Warden sat at the head of the table and ing strengthened the position and re- instead of spitting on his own clothes pulsed all attacks, the square advanced spat on the warriors who seized him, right, looking happy, his long white curious case in illustration was fately over the slopes, under a withering fire. and begged the English doctor-Leslie cuffs being particularly conspicuous. Tried in England. A dog followed a matrix or piscase and begged the English doctor-Leslie cuffs being particularly conspicuous.
