Last evening a call was moderated in Andrew's Church in favour of the Rev. L. H. Jordan, of Halifax. The serthe Rev. Dr. Williamson from Matt. xxv. 46, "But the righteous into life eternal." In its conclusion the following reference was made to the death of the late War den of the Kingston Penitentiary: "It is proposed to submit to this meeting a resolution with reference to the great loss which one of the families of the congregation, and all of us, have sustained by the recent departure from this life of of "Militia and Defence." Of those one who has been long an elder and trustee of our church. I nead not bere dwell upon the many virtues of the CLARK deceased in all the relations of life, as a father, as an office-hearer of the church, as holding a most important spector of artillery, \$2,300, and Colonel Position, as a citizen and a friend, which are. The following is the resolution thereafter passed by the meeting to be transmitted to the family of the deceased Moved by Mr. D. Gibson, Chairman of the Board of Management, seconded

by Mr. George Davidson, senior elder, and carried unanimously : "The session managers and congregation of St. Andrew's Church take the earliest opportunity of uniting in putting on record the expression of the loss which they have sustained by the decease of the late Mr. John Creighton, Warden of the Penitentiary.

"After having been connected with our church from its foundation, first as a Sabbath School scholar, then as a teacher in its Sabbath School, he was ordained an elder and appointed a trustee, and held both these offices until his death. "We shall long cherish his memory with affectionate respect, and feel the loss of his wise, gentle and loving spirit.
