EXEMPTION QUESTION.

-AGITATE UNTIL RELIEVED.

Be Thinks There Should, However, be De lay Until the Statistics and Facis are Secured-There Should be no Privileged Classos All Properties Should be Taxed

A few days ago the City Solicitor for-My Dear Sir. - I have just got a copy

the Taxing of Incomes.

that very litt!e good will be done this session of the Legislature, or progress made with the exemption question this | leader of the Klu-Klux gang, has been system makes the sale of land as sim- year. I think that we ought to marshal killed at Whiteshoro, Ky. our forces for next year and have exact people and the government, the alarming extent municipal tax exemptions some of the best property in our cities and large towns will be relieved from taxation, at least this is the case in Toronto, and is very materially interbe worth a great deal. Therefore the provement. Now, my opinion is that not thoroughly understood and that we are all working on a wrong basis. I beeasiest and safest to get at and tells no States for \$250 a side. Goldwin Smith, in The Week, thinks lies. The taxation of personal property is too uncertain and inquisitorial and has been arrested on a charge of emtion of income, because the methol is an estate of which he had charge.

wrong and the impost is unfair. Incomes derived from accamulated property and incomes derived from man's brain are very much different, and if incomes are objects of taxation they should be treated on their merits. comes derived from real estate and inpany now make. There seems to be, he | vestments are certain and remain fortaations of the rate of interest. The income from a man's profession depends cold. Not so with the man who derives vestment. He may die, but the income Galveston, Harrisburg & San Antonio of land, and the proportions of the road like the ocean goes on forever and des RR. They killed both when they rethese two men at the same rate, and for this very reason I do not believe in tax-

All fiscal reformers say that the taxa tion of personal property and incomes is unwise and wasteful, and the maxim of Adam Smith cannot be in any justice to their ability to pay." I believe there should be no exemptions on real estate, enjoying all the advantages of municipal expenditure and which if there was no municipal organization, and which they the owners of real estate) would have pay for light, protection, sewers and all other things necessary for the cojoy

ment and security of the property. The British Government now recon nize this as a principle of justice and now pay to the municipality wherein bere. their property is the money necessary for these purposes. Governments and institutions of whatever kind or for whatever object they are for, their promoters it as a grand idea, because even a cur- locate them at points most advantageous to them. The Local Government of Octario would not have its buildings here if it was not to their interest, and I do fits derived from these buildings being in Toronto should be discounted by way

of exemption from taxation. The majority of the members of the the country constituencies and do not understand the exemption question so far as it affects cities and towns or large centres of population. They look from | Fighting in the Country - The In arrec. a selfish point of view and think they are going to be taxed for the benefit of oronto, Kingston or Ottawa. If they would only examine the question from a dollar and cent point of view they would see how little they would have to

Now, in justice to all concerned, and to tax all according to their ability to pay, and as long as it is law to tax per sonal property and incomes, also real estate, I think that all real estate empted from paying municipal taxes who can and are able to pay. I think man who gets less than \$600, so would tax all incomes of \$600 and over. Government property, whether be the church and no more. Church property of whatever kind, save as above, the acquirement of property by churches or religious corporations is not in the interest of the state to encourage by exvantage over educational institutions carried on by private enterprise. Pub. Separate school property, if it belongs to the city the same as the common school property, should do the same. All judges and governmental officials

earning salaries of \$600 and over should pay income tax. All ministers, of what. ever religious denomination, earning \$600 and over, should pay income tax. privileged classes in a free community

I think you will see some force in the above statements, and it is not my intention to agitate this question arv more until the next meeting of the local legislature, and then I expect to be able | Orole, organized to give public specta- | He Makes a Scene in a Church, and to give them statistics and facts that cular displays, has collapsed.
