> leagues, will be slow to insult those by whom governments are made to rise and THE PROVINCIAL FINANCES. The expenditure by the Provincial government having exceeded the revenue by something over \$300,000 the Tories have had another grand opportunity for "exaggeration." No explana. tion is acceptable by them; they wil have it that there has been gross mis management or gross extravagance, or both, and that the only possible way to avoid provincial disaster is to turn Mi Mowat's government out of office and give over the administration of affairs to Mr. Meredith and the incompetents by whom he is surrounded. At the out. set it must be granted that Hon. Mr. Ross, the provincial treasurer, did not anticipate the great depression which followed the preparation of his budget speech and continued throughout the year, rather he did not calculate upon its being so widespread and calamatous. Mr. D. Creighton, the Opposition's financial seer, harbors the opinion that he knew there were breakers ahead, and

And now for the causes and effects. rest. "Well," said she, "I want Wilson

Drainage of swamp lands

Penses was \$179,797, about as close as it could be approximated. For legislation the expenditure has by a very large sam exceeded the expectation, but it was an expenditure which was more under the control of the House than of the Government. The Opposition did not make an effort to save the expense in the preparation of sessional papers, which last session gave employment to a whole army of clerks, which filled eight volumes, and the printing of which alone cost \$34,000. Then the expenditure in connection with the administration of justice were exceeded, but the counties got the benefit of it in refunds to the extent of \$132,000, or \$2,181 over to the extent of \$132,000, or \$2,181 over the bere's letter's and scattered writ- and 15 cents per ton.
