THE SQUIRE'S MODEL.

"Mr. Hayward, I hear, is going younger sister, a superb beauty. aware of her own lovliness.

" answered the Lady Gertrude.

daughter of a poor earl may live to rue the day she slighted him," was the elder sister's plain-spoken reply. "Mamma does not agree with you, Mercia; she thinks I ought to certainly secure a title; if I fail, then I may, per-

haps, accept Mr. Hayward, as I should him. not care to risk another season. The sisters were sitting in a pretty rustic arbor in the grounds of Greystone Hall, and talking confidentially. Lady Gillingham and her husband were guests for the present; the former, ing happily married was generous. anxious to see the younger sister similarly circumstanced; but Gertrude was quite unlike the warm-hearted Mercia. She was cold-hearted, selfish, and cal-

culating, and had neither love nor admiration for any man, except for his title and position. finished speaking, a gentleman, tall, ed to show it while in progress. handsome, and more aristocratic in apthe arbor, and with a bitter smile on his lips, walked quickly away.

It was Cuthbert Hayward. He was honestiy and truly in love with Lady Gertrude, and her last speech, unintentionally overheard, was a crue. awakening from his dream of happi-

He had intended her to be his model; in his youth he had been passionately fond of the sculptor's art, and it was h still the favorite amusement of his leis ure hours, and since he had met the earl's lovely daughter, a great desire to immortalize her perfect features . pure white marble had taken possession of him, and he had resolved that, he Burwood Exhibition was to be thought, its lovely original might also find a lasting Lome at Hayward Lodge. Now his dream was rudely shattered.

He had come forth from his home that bright spring morning, a happy lover; he returned two hours later, a blighted, disappointed man. "So," he thought bitterly, "my Lady Gertrude will firt, and dance, and hunt, with her worldly minded mother aid, for a title through one more Lon-

don season, and then, if no noble lord or duke is caught, poor, insignificant Cuthbert Hayward may claim the prize! poor ability, but the false face of Lady Gertrude will not be my model. So he wrought at his block of mar- assertion were simply amusing. ble, and with every chip of the chisel.

woman, became stern and fixed. day, to an orphan cousin who lived | ma. with them, "do you know I used to think Cuthbert Hayward a perfect beau.

altered, he is a worse bear than that if he did not see her first, when old Churchill whom we all hate. Elma's soft gray eyes opened wide with surprise.

thoughtful, and --"On, of course I quite forgot you had set him up as your beau ideal, Elma. ourself, eh? Well, if an eligible suit- | before this morning. or comes my way when we go to Lon-

Elma's eves filled with tears, and a) painful blush suffused her cheeks. "You are very cruel to talk so, Gerdoes love you, I know, and you play with him as if he were a toy, to be taken up and cast aside at your pleas-

"There, that will do, Elma; you uite fatigue yourself with your eneretic defense of my admirer; he is mine at present; please to remember I have not vet surrendered him!" Yet, though Lady Gertrude thus laimed him as her property, she some

times had an uneasy feeling that he was not now quite so much her slave as he had once been. One fine day in June Elma was returning from the town, and had taken a path across the fields, when she was

overtaken by the squire himself. After the usual greetings he said: "So you have not gone to London, Miss Wentworth? Have you heard from your cousin lately?"

cts until Greystone Hall was reached. and Elma felt a strange fluttering pleas-

ure at her heart as she expressed earnest hope that they soon might meet again. And Cuthbert went to his statue, and as he worked softer thoughts stole over him, and the hard lines of his face re-

laxed, and a happier light came into their mother making a third. "You have come back disengaged,

wood was so very attentive just then,

t is useless now: I am not sure that we could even afford another season, and

you must accept Mr. Hayward. "Has he proposed vet?" asked Lady "No: he has had no opportunity doing so. We only met him twice and could not give him even one dance.

much the better; he will think the bert's intentions; she knew his characpreparation for the forthcoming Potteries Exhibition.

He Was in the "Agency" Business. The base of the Apennines is an elegant country for road agents, and all the old books of travel are filled with stories of captures, ransoms, hairbreadth escapes and the like. But the railway ruined the business, and most of the gentlemen engaged in that lucrative branch of commerce have gone | feel quite cured. to America. A pious old dame who Mr. A J White got on the train at Portland told me that she used to receive regular remittances from her son in Nevada, until he was executed by a lawless mob who would not listen to his explanations. She said he was in the "agency" business of some kind. Judging from the appearance of the neighborhood, the looks of the old woman and the partieulars of the story, it was not difficult to guess what kind of "agency" her son had employed in. The peasants of this district are poor and adventurous; the Valley of the Reno has always been the highway of travel latween the canv; the Apennine regions are close at that most of the highway robberies which followed the era of the tourist travel into Italy and preceded that the railway, occurred.
