The Regular Meetings of the Ancient and An their Hall, corner of Brock and Wellington | howl and stamp. This continued for | Princess street, 10,000 Noisy Boys, a was then brought to a close, and the mob surged towards the platform. Supported by a couple of faithful followers the captain came towards them, and they flocked about him like bees, hustling and shoving him ahead of them toin the thick of the crowd stood on the

benches and yelled. The SITUATION NOW LOOKED SERIOUS and many were afraid that personal injury would be inflicted. Lieut. Bower, of Sunbury, a female, who was in the squeeze, escaped without being hurt and thanked her stars. After considerable Z. Prevost has fine goods displayed in | wrangling and the smashing of glass froliceome crowd, who picked him up and carried him down to Wellington street. While he was being borne along on the shoulders of several brawny fellows he was struck at and received blows on all sides. At Wellington street he was dropped to the ground and an opening made for him to get out. As he passed down the line he was given heavy blows, some on the back and head. When he got to the ends of the opening he was submitted to further hard usage. Few of the soldiers could be seen while their chief officer was going through

the trying ordeal, but there were others TRIED TO STAY PROCEEDINGS. and some of them were punished for their pains. One young Jellow, who tried to protect the captain, fared very badly, met last evening. A long debate took and carries a sore back. The captain place, the tenor of which was that the | was wow pushed up Queen street to the MEMBERS TORONTO STOCK EXCHANGE | committee should recommend the ad- | barracks again, the mob jostling him Have Independent Direct Wire by dition of four rooms to Louise school about in a shocking manner, and the wonder is he came out of the fuss so well. He at last cried out, "For God's sake give me a respite." He cried in vain. The torment was continued. Scott was next pulled along Bagot street to Princess. An attempt was made to get him down it, but it did not succeed. The mob worked back to Queen street ago, lie and had Scott in the toils when the police arrive I and rescued him. He was in a very weak condition. He was escorted by the soldiers to the headquarters on Sydenham street and the mob followed and yelled. The police

> SCOTT GOT TO HIS HOME SAFELY. but the mob held high carnival on the street. Their yelling could be heard some blocks away. For hours the mob lingered about the house the captain was in, shouting, "Pull him out," "Let us at him," "Strike the thing, "We'll learn him to dance," "We'll send him up, up, up," etc. Some of the people on the street say that boys remained in the vicinity of the captain's house unti late into the night. When the captain was being put out of the hall, the shout went forth, "Who'll buy him a coffin? The whole thing is a disgrace to the

army and the city. A LATE OFFICER SPEAKS.
