CARD. March 4:

The clouds have silver lining. Don't forget:

Grief sharper sting doth borrow

Nay; bide a wee, and dinna fret.

An over-anxious brooding

Just bide a wee and dinna fret. -Every Other Saturday.

ON A GATE POST.

CHAPTER I. his life. One night recently, while I has been to school. was at his house, he brought out the do not feel that I violate his confidence | want them you may go there and get by giving, as nearly as I can remember. them. I shall never go after them. the contents of the paper which he could never read them again. treasured with such affection:

was riding a horse across a country scholar, but I reckon I can worry whose loneliness was as deep as a sigh | through with a lot of them. which bespeaks the long absence of ightened owl flitted past me, scream- when I related the sad story of how I there everything goes as usual, the ing in my face. The time of year was found her, the sympathetic woman when nature hesitates whether to con- took the child in her arms and kissed "What a dreary, kissed the child. that I shall receive shelter?

mit of a desolate peak, overlooking the girl has a very old head. the door there was no fence around teacher, a man who had the reputation turb and worry them. Now, le. that ingly at me and without asking per- said mission from any one within. I led the animal to a stable close at hand and markable child I ever saw. She has took off saddle and bridle. As I was read so many books and makes me returning, the storm burst upon the such wise observations that I am conriver. When I approached the door. I stantly surprised. To tell you the truth. heard a wail. I knocked and I heard I cannot advance her Not that I am The door was opened by a girl scarcely I - because I do not think more than twelve years old. Her face | age it would be safe. was the picture of despair. She said | would advise you to take her from nothing, but pointed to a bed, upon school. I know the effect that too which lay an old man, gasping for much learning has on youth. I know Approaching him, I saw that how narrowly I escaped." Failing, he looked at me and I assisted like to cipher, as the children call it.

not. The girl sobbed frantically. The cellaneous examples make me sick. rain poured down and the storm shook | me study at home. "My grandpa will die." She looked at him and shricked. What a night we spent in that house. | graceful. The storm howled and the rain fell unnearly daylight. The girl, who I saw was intelligent, with an impressive face, said that her name was Munette Loggemon, and that since her earliest

recollection she had lived with the old man who had spent the most of his time, since she had begun to talk, in teaching her. "I have no relatives. she said in answer to a question.

"Any friends? "No friends." You have neighbors?

eight miles away. After the burial, I went out and found nette at the grave, on which she had, sobbing bitterly, thrown herself. 'Where are you going, little girl?"

You cannot remain here I cannot go away. I will not leave you here. You must

She will receive you Still lying on the grave, and without ooking up, she replied

'I will go and work for my board.' "You will not have to work. When I tell my mother of the circumstances under which I found you, she will take in her arms. Come get your clothes. It is time we were leaving here. See, the sun is shining beauti-

It is a new day for you. Without replying, she arose and turned toward me. Her face, even aside from her grief, was so sad, and her eyes wore a look of such tender appeal that even though she had relatives I would have thought it my duty to take her home with me. She went into the house and soon returned with a

small bundle. "I haven't much to take," she sai Grandpa and I were very poor, and you see, having inherited his poverty. I am poorer than ever.

was not surprised to hear her make such a remark, for I had discovered that she never associated with children and was consequently wise of her

"You shall have some nice dresses after a while," I replied. "Pretty red ones?" The child was asserting itself.

Yes, and blue ones.

"I won't ery any more, if I can help Traveler. "Your grandfather must have been

"Yes, but he made me read many books that were very dull-great law books. I don't like them. His eyes 20 and 50c. for many years have been so bad that I had to do all his reading for him. wrote a book full of curious things and me reading it, he took it away from me and burned it up. It must have been bad and he must have been sorry that he wrote it. What is your name?"

I told her, and expressed my surprise that she had not sooner asked me. "It was your place to tell me without my asking," she said. "When I told minute you my name, you should have told me yours. Don't you see?"

I acknowledged the justice of her re-The day passed rather pleasantly,
