> by falling from the train. See the Comedy To-morrow. The C. L. Davis' comedy company will be here to-morrow night, and "Alvin Joslin" will be produced. Of the performance the New York Herald says : "Alvin Joslin," a homespun comedy of the "Joshua Whitcomb order, was performed with Charles L. Davis as the central figure. "Alvin Joslin" so neatly resembles "Joshua Whitcomb" that they might be taken for twin brothers of theatrical parentage. "Alvin Joslin" pleased the audience immensely, and Mr. Davis deserves the success he met The Small-Pex Spreading.

There has been one fatal case of small. pox near Picton. Miss Carrie Wilson, daughter of the proprietor of the Glenora flouring mills, has been attacked. Frank Bogart, son of the late C. M. Bogart, Adolphustown, was taken suddenly ill, and Dr. Clinton, of Deseronto, ex-Mysteries of a Convent, Maria Monk, and Six

DEPENDANT ON EACH OTHER. A life of affluence must be supported by the assistance of labor and the toil of industry must be rewarded by the bounty of wealth. The reciprocal oblimacy. It does not cost much and is a gations of mankind are so manifestly pain. Large bottles 25c. W. J. Wilson. the chain of community. Regarding human society the speaker referred to those possessed of wealth and showed that they should not look on it as their had none or little, and thus "bear one relieve the poor, the strong support the weak, the well comfort and cheer the sick, the highly privileged, the educated, the spiritually strong bear with, teach and strive to reclaim the erring and sinful. Nothing tended more to smooth the rugged path, which all are destined to tread, than reciprocal affection, to love as brethren, to be pitiful, to be courteous. The principles taught Ly the text was illustrated not only in St. George's Society and the Sons of ture, but in the case of England as a nation. She has led in civilization, protected the homeless of every race and name. When exiled from home the refugee always found a place in noble hearted England. No matter whether t was to defend a province or a people, or to deliver a few from unlawful captivity she displayed the same sympathy. bravery and honor. The instinct of fair play is peculiarly a possession of the English nation. It reveals itself in the pugilistic encounters on the village green or in the school yard among boys, as well as in the affairs of the nation. The strong help the weak and England

THE CENTRE OF CIVILIZATION, and her church to be the grand plat. form on which the many unhappy religeeus divisions can forget differences there will not be much fighting. and form one church, and thus return to first principles. The preacher pointed out that the society's prosperity would be in proportion to the cultivation and practice of the noble principles of pity, fellow feeling, manliness, respect for authority, bravery, reverence for sacred things and genuine loyalty. Besides this they should not forget that they were subjects of the Dominion duty to bear the burden with them

Canada, a people of many races. They all must be united and entwined together. At this present juncture when the peace of the country is being disturbed and brave men have gone forth Saturday. to quell the insurrection, it was their relieving their wants and assuring them of their sympathy and prayers. He concluded by urging the practice of brotherly love, unity and charity, and culti vation of the spirit of loyalty and patriotism. He made a few observations t societies touching their inner workings. urging them to live like Christian brethren on earth and thus be duly prepared to live in eternal union with God and

A liberal offering was then made for the benevolent fund, and the service was concluded by the National Anthem, heartily sung, Mrs. Deacon leading in splendid voice. After the societies had Cathedral for continued kindness. Several addresses made were quite patriotic.

Saving in Expenses he will make.

Mr. L. A. Sene cal informed the Wilness that the amendments which had been made in Commons committee to the bill. W. G. Wilson, solicitor, Napanee, has permitting the Richelieu & Ontario to buy up \$389,000 worth of its own stock had not in any way altered the intention of the measure. A clause had been inserted requiring them to pay of all outstanding indebtedness before insuing any bonds and this they had been quite ready to accede to because they did not owe a single cent. They would not be able to buy the stock at more than sixty cents on the dollar, and if it went above that price they did not want it. They would be required to call for tenders for this stock, but that was always their intention, and their authority to buy was limited to a certain definite amount, \$386would never expect to go. The saving to the company would be about twelve thousand dollars a year, and during the next season be expected to be able to The str.
