r. Spargeon Gives His Opinion In Writing -English Immerality Generally.

Rev. Mr. Spurgeou has produced a profound sensation by an article, over his signature, in a late i-sue of the Monthly Review. In this the great preacher narrates in detail the death last year of Justice Williams in a brothel and disclosures brought out in the recent Jeffries case. He makes these examples from high official life the basis of a full flavor-ed denunctation of English immerality, At 5 P.M. for Toronto, calling at Cobourg. Port Hope and Bowmanville (weather permit the names of the greatest in the land are openly mentioned in connection Clayton, Alexandria Bay, Brockville, Prescott, with the filthiest debauchery and the legislators and ruler in England. thee.
