AN INVINCIBLES TALK.

McBride Only a Tool in the Hands of the Order - Canada is Safe trom Harm-

an employing printer. who was during its life the foreman printer of the Buffalo Evening Post, edited by George J. Bryan now running the Queen City, and as loyal a subject as the good Queen of England indignantly denied the fact, but when the names of three or four persons from whom the information had been obtained were mentioned he broke out with an

member of the Executive Committee. Then it was observed that a freight You have published your plans and pur train was approaching rapidly from the poses or what you supposed were ou from both, the impetus was too great to lings and were fooled. Do you think we prevent the collision. The result was | would entrust our secrets to such a terrible. In a few seconds the previous | man? No, he don't know a thing about peaceful spot was a scene of death and our real plans, and his experiment with suffering. The freight train seemed to dynamite has been conducted purely on drive the engine of the passenger train his own hook. Do you think we would into a car occupied by the unfortunate be such fools as to establish a public par 1884. It is apparent that the city workmen, crushing a number to death. dynamite factory? McBride is merel The picture was heartrending. One a tool in the hands of an organization little boy with his dinner pail in his He is told what to say and he has said He learned his lesson well.

"What then, do you propose to do ?" Ptt and Castle urkey, regarding the despatch of a out. Others, as the debris of the mu. deal now in idle threats. As Justice tilated car and engine were removed by Whelan, one of my warmest friends, Cracked Feed

> THE TIME FOR TALL IS PAST ; action accomplishes more." "Well, have you any plans at all : "Why should we be organized?" res

aster shortly after it happened, and "Absolutely none, except that Mulromwell, Car The proprietors of the Toronto Mail were assiduous in their attentions to doon has been deposed from the office of

> "Was there any truth in Muldoon's statement that the Governor-General of Canada would be captured?" "None whatever. We do not intend to go about avenging O'Donnell's death in

"What truth was there in the story of McBride being kidnapped? "All I know is what I read in the Buffalo Morning Courser and that McBride was missing that night. I do not believe the story, however. "Have any Canadian detectives been

"None have been to see me personally, but I know of other members of the Order who have been approached by persons who said they were detectives. "Who has been elected to succeed Henry Healy as President?" "That I decline to answer. Healy is City Gas Inspector and did not wish to

compromise himself. Hence his resignation. I know that Healy did not wish in any way to offend us. "Do you propose to make any attack on Canada or is it merely talk? "There is more than talk, but as I

It is impossible for the medical men said before you will know nothing until WHAT OTHERS HAVE TO SAY.

James Mooney, ex President of the United States Irish Land League, says that no reliance is to be placed in what a man like McBride says. He is very indignant at the publicity McBride's interview was given and thinks it can only Ireland. At a meeting of the Land League at Stephens' Hall, on Sunday, the methods of McBride and his fellowthe methods of McBride and his fellow-conspirators were deprecated on the pollards 3,30 to 3,40; Ont. bags 2.25 to 2,45; same grounds that Mooney holds them harmful to the cause of Ireland. With Grain-wheat, red winter 1,20 to 1,23; the exception of men who claim to be No. 2 white, 1,16 to 1,18. Corn 65c to 70. connected with the Buffalo Invicibles 13 to be feared is not the open monthings of McBride, but what it may result Members of the Invincibles claim that the Order has been greatly strength ened by the present agitation.
