THE OPENING ADDRESS.

highest position in their gift. He ac-

cepted the position because he knew he

would be ably assisted by them. Past

experience had shown that there were

able municipal legislators in the Coun-

condition of the county was largely due

to their efforts. Touching the financial

standing of the county he said it was

excelient. He said, however, that in

this year steps should be taken to com-

pel the railways to properly protect

their crossings. All were aware of the

serious accidents that had followed at

these unprotected crossings. He sug-

gested that the Clerk should read the

resolutions, as the business of the Coun-

cil would be expedited thereby. During

the year he would rule to the best of

his ability and knowledge. He again

thanked the members for the honor

conterred upon him and trusted that

Providence would bless their efforts

during 1884. He resumed his chair
