t is truth I am telling, so mark what I say

'o such an extent 'tis enough to appall : Why! Because there is nought in the teas No fear by their use of becoming delirious asteadof a frenzy, ensues quite a calm.

O who would draw trigger, in war's dread alarms When he might draw Strond's tea from a cozy

Her liege lord is off, on a bit of a spree; The hearts thus estranged, might once more be Through the genial effects of Strouds forty

Of such a vast concourse, of old, young and | against myself and the Company. All hasting to Stronds for their forty cent tea. Fain, fain would we filch some choice delicate To garnish the theme we have taken in band; Though soon, without aid of the bard's graphic Twill be found Stroud's supply does not read

A Word Against Prejudice and Bigotry. Tis plainly seen we do not lack Church sealots who would bring us back To times of "slary," times of I and,"-To punish, persecute, defrand: To stigmat ine and scatter wide, In haugh tiness and priestly pride, The christian ferces of the land, Who by the Bible take a stand :-To clip the ears or slit the nose

Of any who would dare oppose,.. To confiscate, and seize the prey, And drive all heretics away! Such usage once good Christians bors. But such we now need fear no more For liberty of thought prevails, And State no barrier entails To hinder or obstruct the way Of Christian work in this our day. And, viewing now the actions, odd, Of workers in the cause of God, Let us for precedents apply What in the Bible we descry .-To Moses once some parties came, Who thought to get for zeal a fame, Faid "Eklad, Medad both do ramp, And prophesy within the camp,"

"My lord do thou their course forbid. And from the place usurpers rid." Now hear the prophet answer make. (From which a lesson we may take,) I would to God, it might appear That all His people prophets were)ur blessed Lord, too, verdict gave, When some who thought their action brave Said Lord, we saw one, as we came, Cast devils out in thy dear name. And we forbad his acting thus, Because he follows not with us." "Forbid him not," the Saviour said. For, if not by the Spirit led, No miracle can he perioum.

Or do our mission any harm, "Whoever loes a work like his. He, for us, not against us is." From Ged's own word we gather hence. That he's not guilty of offence, Who preaches Christ in any way, And joins with those who praise and pray For God does work by whom He will Let high church arrogance be still ! What God doth choose, shall man despise "The foolish to confound the wise.

The weak, the mighty to oppose, during the continuance of their respec-And base things to subdue His foes; And things despised, does He prepare To bring to nought the things that are. For He alone has sovereign right,-That no flesh glery in His sight." We ought not with "profound distrust." Or railing speeches fleroely burst Against a work which Ged approves, As with pravailing force it mores. Let us Gamaliel's counsel take. And hasty prejudice formke : For not ordained of God, it ought,

Oh, What a Cough!

And will mest surely come to nought

Bise, though we think we're doing right.

Perhaps, gainst God Himself we fight !

vegetable extracts. They act on the liver balance of the donkeys in harmonious plaints.

The General Agent of the Ontario Mutual Co. Makes Explanation-An Exhaustive Reply.

Sir, -- As your paper is now devoted

The Editor, British Whig.

Go try for yourself, and the truth you shall see; and Gardiner. The latter is written in Methinks that bleak winter, must merge into pears Captain Gardner is allowing himself to be made a tool in the hands of an here who appears to have little else to do than calumniate the agent of the patiently coming events. Our Ontario Which reminds us of home, and escene peachal Ontario Mutual and try to damage its has always paid its claims without conbusiness. Such warfare is most disreputable and unjustifiable by even a ri val agent. The attack of this agent is three fold, it is first on the agent secondly on B. M. Britton, Esq., and lastly on the Company itself. As the whole letter is nothing but a rehash what was ventilated in court on the 9th ultimo, it is not necessary here to reproduce the arguments pro and con There is quite a commotion throughout the used both by the counsel for plaintiff and defense, but simply to answer the charges therein contained preferred for B. M. Britton he is quite capable defending himself against such

twaddle and what the learned scribbler styles analogical argument. Now for the first indictment, that permits were promised Gardiner and Mc-Donald by me free of charge, and that I failed to carry out my promise. I wish to say, without fear of contradiction, that the above charge in an unmi tigated falsehood, or in plain English lie, and deserves only to be mentioned

in the face of him who originated it. When I assured J. A. McDonald last may be gradually built up until strong March I did promise him a free permit enough to resist every tendency to disease. during the continuance of his policy (a Hundreds of subtle maladies are floating ten year endowment) as he paid a large | around us ready to attack wherever there premium, \$95.92. I was of opinion the is a weak point. We may escape many Company would carry his risk without fatal shaft by keeping ourselves well fort- proceedings.
