For sale by all druggists. Price 25c. MONEY TO LEND. Money to Lend at Lowest Rates.-ROBERL SHAW, Princess Street.

The Ottawa Citizen becomes hysterical because Sir Richard Cartwright reminded the Government of the Pacific Scandal. The reference is very un. Government has right on its side, it has pleasant, no doubt, but when Sir Charles | the support of public opiniou, it has now and Sir John and Sir Hector and Sir the sympathy of the great body of Leonard pose as purists and patriots censed victuallers, and it will take they are presuming upon the people's in vigorous measure to enforce its behests. telligence. It is not so long since they were proven guilty of charter-selling and wholesale corruption. As the Kingston News put it, their's was "the grand est job in the British Empire."

Hon. J. Norquay has returned to escapes conviction who violates its laws. Manitoba. He has proposed (for the The one who essays to defy Mr. Mowat Government's consideration) that Mani- | will have occasion to regret it. He will toba should receive an adjustment of be fined, and he can carry his appeal the debt capital on her altered position from one court to another until since Confederation, getting the benefit | reaches the toot of the throne itself of the difference; that the ungranted Hodge, on behalf of the liceused vicpublic lands and school lands should be tuatters of the Province, had one such handed over to the Province, and that expensive contract. He does not want the Province should assume the cost of another. He ought to be wise, having COL. BAIN will deliver an address in the surveying and carrying, out all ar bought a good deal of wit, and what die rangements between the Dominion and | he say at the annual meeting of the Asany Colonization Company or associa- sociation of which he is a prominent tion where such Company has com member? menced its part of the agreement; that the boundary be extended northward to about the liquor traffic, but in the legal the Dominion its share of the £300,000 | ses may be taken out under the McCarpaid by Canada to the Hudson Bay thy Act, in order to try what the effect Company for its territory; but he of its provisions will be, I advise my timber lands, mines or minerals, to go act in obedience to its provisions." to the Province, and a commission of These are not the precise words used, two by Canada and one by Manitoba but they are in effect the sentiments of to be appointed to settle the claims a man who ought to know what he arising under any Act affecting titles to talking about. land, and to deal with all claims of CANADA LIFE ASSURANCE CO'Y. | Squatters on school lands.

The Ministerialists are not very consistent upon the C.P.R. question. On day Sir Charles declares, with a flourish of trumpets, that the Syndicate is not financially embarrassed, that it is able A SBURERS joining now or before April 30th to complete the road within the convear. Last year the new Assurances were tract time; later on, another, Mr. Ives, \$1,524,734. The annual income \$1.150,338, and the total assets \$5,617,632. The income has thus the understood mouthpiece of the great grown to \$3,000 per day, while it is paying very monopolists, announces that without handsome profits to its Insurers. the loan of \$30,000,000 the Company how beneficial it is to patronize a Company cannot go on with the work, and 9,000 and is growing greater in strength. J. Stuart | men will be thrown out of employment The Glode calls to mind a significant fact -that the chief members of the syndicate have erected houses in Montreal costing over \$1,000,000 each; that Mr. Stephen gave \$350,000 to McGill University and \$50,000 to the Montreal General Hospital; that he settled an amount of £7,000 sterling upon his tion on topics of interest to the clergy daughter after her marriage, and made the meeting adjourned, to unite again Contractor, having, on the 31st December. a present of \$10,000 to his private Secbenefit of his creditors, all his property, and retary's first born. "And these," says a sermon on "Christ's Stilling of the the said L. W. Breck having by deed assigned our contemporary, "are the men who Tempest" was preached by the Ven. said creditors are, on or before the 16th day | come, hat in hand, asking Parliament Archdeacon Jones. a to place a tax of \$6 per head upon the people of Canada for their benefit.

Marmora in the month of May. GRAND TRUNK FIGHTS. A Conservative paper says the Grand The Fuel Market Again. Trunk RR. "has entered the lists with The Editor, British Why. R." This is the reckless assertion which some thoughtless scribe has seen fit to consideration. In the late blockade be paid to me at once or they will be put in suit, make because the Grand Trunk protests against the continued granting of Government favors to a powerful rival. The Reform party have as much to do with the action of the Grand Trunk as | tion in the prices. Sellers commenced | Mr. Hyman said to his wife that somethe man in the moon, nor can it be by asking \$6 a load, and that is the thing was wrong with the woman and shown that between the Opposition and price asked still, with a possible reduc he decided to look after her. She got LAMBERT & WALSH, the offended railway corporation there since the G.T.R. and C.P.R. discussed a price fall with the plentiful supply? When the train reached Belleville Mr. condition. scheme by which freight rates were to merchant may be seen going from load | go be maintained and the interests of the Gent's Suits, All Wool Tweeds \$11, \$12, \$13.50, Companies mutually advanced. The and the pamphlet sent to Parliament by Mr. Hickson shows that he sent to Sir John in April a protest against allowing the Canadian Pacific Company Valley and other railways, pointing ou that the Canadian Pacific Company was brought into existence for a national object at the expense of the people of the Dominion of Canada. It was subsidized with \$25,000,000 of public money and 25,000,000 acres of productive land and the rights of the public? freed from competition for twenty yerrs. The Credit Valley, Ontario & Quebec and Atlantic and North-Western roads, Mr. Hickson says, are not necessary in any sense to the performance of the

duties which have been imposed on the
