three counties. . We beg to inform our customers and the public of Kingston and adjoining counties that at this season of the year our stock was never before so well assorted. As to prices we have nothing to say, we leave it to the peo-' ple, and to those who continually buy " from us. If any houses in this city, or in any other city, try to give better ' value than we do all we have to say is they must come to grief sooner or · later." We have made our business a " study and all pains are taken to have " everything in our establishment that families require in Groceries and Provisions. The quality of the goods cannot be surpassed anywhere. As to the quality of our Coffee it's now becoming a household talk, not only in this city. but by tamilies at a distance, who say it's very fine, both in strength and aroma. It is roasted on the premises " and great pains are taken to make it surpass anything in the market. The beans used are selected by ourselves from the best Maricaibo, Java and Ja-

who have never used our Coffee to TRY IT." Golden Grocery W. R. McRAE & CO.
