Sad Story of Deception and Crime The Mysterious Workings Justice and Retribution.

some sort would be required for these trinkets, whose value might be roughly

murder of her mistress. At the close of the cross-examination of this witness, the court adjourned for luncheon, and Mr. Eyre saved his felmeeting him by going at once to a particular inn hard by, where, as he had expected, he found Lord Lovel.

And so you're cleared, Frank," he said, laying his hand on the bright head sunk in the young fellow's arms; 'and now I can walk erect and fear no man—morally I've been going two-double these six months."

"Why did you tell them?" said Frank, lifting a haggard face; "there was no

"Was there not?" said Mr. Eyre, looking at the young man with strange gen-"I think so, and it will make another link in the chain of evidence that we will hang the woman. "Did she commit the crime?" exclaimed Frank, involuntarily: "the evi-

dence is circumstantial enough-and yet-I think Digges was dismissed too soon—or what if Josephine committed the murder after all?" said Frank. "No," said Mr. Eyre; "she has the Strange," he went on, "the look that other woman gave me when I denounced her as the murderess-her ungovernable emotion, checked at its very height

petrified, as by a cold blast of reflection -it reminded me of Etna's molten lava that, sweeping over the head of the valley in a river of fire, falls at the foot of the precipice in masses of solid rockthere's something inconceivably horrid in the sound of the crags striking the bottom," added Mr. Eyre, absently. "That sudden calm was unnatural," said Frank. "What could it have been

"It is curious, but I could have sworn I had seen, and handled that knife before, and it corresponds exactly to that stain in the drawer;" he passed his hand across his brow, as though said, "but you'll come back with me into court? You've heen a hero too long to mind folks knowing it."

"I'd rather go a thousand miles," cried Frank; "and the moment all this is over I shall leave the place for years. I can't be any use to you now." "And so you never had a kind feeling

250 00 | Eyre, then checked himself, and added ing about me over there? Think of 500 00 | Busby's triumph! What a fall, Frank 250 00 | -it's nothing since she's not here to see it. The afternoon will be a long one, but I think to-morrow will see the end; and then-and then-" "What, then?" said Frank, struck by something in Mr. Eyre's tone.

"Then I shall rest. And you'll go But I must begone: I have an interview aren't plagued with shorthand notes of

ing up, as he thought of Madcap, and forth alone to face his enemies. cept the sacrifice. I wish them to see what a man might be side by side with what he is. And so, when the court reassembled 1230 00 an hour later, the two men entered it

less it had been the prisoner? "That some one had a motive for compassing that poor young lady' death he would presently be prepare to show; but that person was not the prisoner. And before attempting to re fute the evidence against her, he would tell the story of her life-in itself more complete refutation than any other that could be afforded. "Some eight years ago, when young and very beautiful, the prisoner had

Eyre, and was married to him before they could be overtaken. Meanwhile, what does this wom in do, who is left alone, loving the man who has abandoned her as passionately as he once loved herself, and with a secret to bear of which he had not dreamt? He had provided for her, he had done all that honor deman ied, if less than love asked; and, doubtless, the world would have blamed her had she pursued him into the presence c his new happier love; but she made to such entery over love was denied he., vengeance should he hers; but lived clone, unfriended,

until just before her child was born, when she sent for her foster-sister, who came. But so careful was she that no shadow of her misery and degradation should pass between Mr. Eyre and his foster-sister, who was the one person on earth who loved this forsaken. happy woman, and who attended her devotedly throughout that terrible time. But this woman, with the stern instinct of revenge common to her class, took the resolve to comfort the father with his child, and rouse him from the dream of happiness in which he was sunk to contemplate the misery of the woman whom he had once love I. And by patient watching and searching, she at length obtained what she believed to be a clew to his home and name; then persuading the mother that the child would be better if taken to her our people for awhile, and the mother consenting, the servant took it away; and that way led her to the very gates of Mr. Eyre, the

woman he had once loved, stands, charged with murder as a relon, in the dock to-day. information that she had gathered in the village, and faint with fasting and ous history she was ignorant. As night drew on, the child cried for food, she had none to give it, and in a moment of madness laid the baby down by the pool and walked away, thinking that some one would find it, but return-
