Accept thanks for the prompt and satisfac. at present proposed and promises of ment force is directed against the Maritime members whose attitude has latterly been menacing and determined. The Government is supposed to do justice to every Province, to correct injustice no matter how old its origin, but it is a mistake to throw a sop to the representatives of any Province-Quebec, Ontario, Nova Scotia or New Brunswicksimply to secure their support, and the custom once established can never be ignored. If persisted in there is no telling how much confidence in confederation may be injured, and to what extent the relations of Province with Province may be strained.

CONSUMPTION OF OPIUM.

Any one who has seen the Chinese opium joints of New York or San Francisco, who has read of the increased use of the drug and knows something of its dreadful wrecks, will sympathise with the efforts which are being made to prohibit its importation into the United States. The increase is exhibited in the statement accompanying the Bill of Mr. Budd, of California, now before Congres. In 1881 he says the consumption

subject and he is of the opinion that from the service.
