As the room gradually filled, it seemed like a roll-call of shirks. Among them came also a spiritual medium named Bott, as yet imperfectly teveloped, whose efforts at making a

restated in the laughter of skeptics and the confusion of his friends. His forehead and cheek were even then purple with an aniline dye, which some coldblooded investigator had squirted in his face a few nights before while he was gliding through a twilight room impersonating the troubled shade of Pocahontas. This occurrence gave, for the moment, a peculiarly sanguinary and sinister character to his features, and filled his heart with a thirst for vengeance against an unbeliezing world. After the meeting had been called to
