and the Ontario Government chose the stands. The way in which the Loyalnext best course in preference to losing | ists "loved the brotherhood" was comthe revenue altogether. Our contemporary says this very necessary Act was very properly disallowed, it suggests nothing as a substitute, and yet accuses Thursday, May 22nd Instant, the Ontario Government of being weakkneed because they adopt the only al-Part of the Tomkins estate, consisting of four building lots, each about 36 feet front Ly about ternative left to them. If they had not thus acted there would have been help for it but refuse the money and prosecute the parties, which meant a loss of revenue and a heap of trouble, results that would have pleased the Tories immensely, perhaps, and still results which have been overcome, at least in great part, for the present.

The Ontario Government have acted wisely in this matter, and this bothers THE CELERRATED ORATOR the enemies of the Province, and our subjects has shewn itself to be one of them. If the decision to withhold pro- Heathen Rome would have called this secution of dominion licensees be "another proof" of "giving way," surely the Ottawa Government are equally open to the same charge, as before the adjournment they allowed their Act to be so amended that no provincial licensees should be proceeded against if they sold with an "insufficient license." But that does not suit our friend across the way, been already subscribed. He asked the and upon this point he remains perfeetly mum.
