AGENTS WANTED.

A WORD OUT OF SEASON.

cheerfully and kindly toward the whole

human race. As he walked down into

fierce contentions on the grass, amused

fountain in the square with the idlers,

and took a deep interest in the turtles,

women resigned this morning, and

remember, is this afternoon.'

think there may be a chance for our

handsome friend. The meeting, you

Farnham hardly recalled the name of

the young lady in whose success he had

been so interested, although recent in-

timate occurrences might have been ex-

pected to fix it somewhat permanently

of remorse. He was not fatuous or con-

ceited. He did not for a moment im-

agine that the girl was in love with him.

He attributed her demonstration in the

manœuvres of which he had been the

object in the different worlds he had

frequented. He gave himself no serious

thought about it, and yet he was glad

to find an apparent opportunity to be of use to her. She was poor and pretty.

He had taken an interest in her welfare.

but on second thought he reflected

rely upon the surprise of the three

meeting. When he reached the en-

trance of the building where his lawyer's

offices were, he turned, with a sense of

being pursued by a shuffling footstep,

which had hastened its speed the last

few paces, and saw his colleague coming

up the steps after him with perspiring

thinking o' coming to see you when

sighted you comin' round the corner."

hand which was held out to him.

"I am glad to see you, Mr. Penny-

" No danger of frost, I think," Arthur

assented, admiring the dexterity of

that the shake-hands was disposed of.

anything in particulur?" asked Farn-

ham, who saw no other way of putting

an end to the meteorological discussion

"Well, yes," answered Pennybaker,

getting around beside Farnham, and

gazing at the wall opposite. "I heerd

this mornin' that Minnie Bell was goin

to get married. My daughter is doing

some sewing for her, and it slipped out

secret. Some girls is funny that way.

They will do anything to get engaged,

and then they will lie like Sam Hill to

make believe they ain't. Well, that

makes a vacancy." He did not turn

answer, and Pennybaker resumed: "So

I thought I would come to you, honor

bright, and see if we couldn't agree

what to do, That's me. I'm open and

" What do you propose?"
"That's it," said Pennybaker, promp

Arthur Farnham walked away fr the meeting with the feeling of a schoboy who has finished a difficult task a who thinks he deserves some comp sating pleasure. The day had fine and warm, but the breeze of late afternoon was already blowing

from the lake, lending freshness and life to the air. The sky was filled with soft gray clouds, which sailed along at soft gray clouds, which sailed along at a leisurely rate, evidently on very good terms with the breeze. As Farnham walked up the avenue, be cast about in his mind for the sort of dissipation with which he would reward himself for the day's work, and he decided for a

But as he was drawing on his boots, it occurred to him, for the first time in Tens, Coffees, his life, that it was a churlish and unneighborly proceeding for him to go riding alone day after day, and that he would be doing no more than his duty to offer his escort to Miss Belding. He said Miss Belding to his own thought-making it as formal and respectful as possible. So, sending an order to his groom to Belding cottage and asked for the ladies.
