The consternation in the Conservative party | wright has to say, especially by those | quently at Sage's office yesterday gave of the old country. This circumstance who know him to be a close observer of color to the report that they were backbecomes the more wonderful when it is remembered that the nobleman surprised his most intimate friends. Our journalistic friend should exercise his spirit ot prophecy a little more and tell us when we are likely to have good timesa matter in which Canadians are more deeply intetested.

CANAL TOLL QUESTION. There is some hope that as soon as Sir John Macdonald returns to Ottawa action will be taken anent the removal of the canal tolls. Those interested in our merchant marine have made a strong appeal to the Government, and address 6,000 bushels of peas. ed themselves to the subject with a force and intelligence which must be gratifying. Something must be done. and that with all possible facility, in the interest, not only of the shippers, but er Gipsy were inspected at Toror-to yesin and about Picton, including Lake of the whole people. The outlook was never bluer. The owners of yessels and particular. see. | barges are tying idte, and some of the The Steamer will also leave Gunn & Co's craft which are in commission, losing Wharf on MONDAY NEXT, 38th inst, at 1:30 p.m., for Clayton and a sail through the Thous | money in almost every trip, must be at the beautiful and picturesque Town of Clay- forced into ordinary unless an improve-Comfortable meals will be served on board on date. The most enthusiastic advocate of canal tell exemption will not say that the new poticy will create traffic and freights, but it will enable the Canadians to compete with the Americans so far as the canal service is concerned. and they hope by further competition to carry some of the grain via the St. Lawrence route, which now goes to the seaboard by the Erie canal and American railways. The deputation of Montreal men put their case strongly before the Minister of Marine and the Acting Minister of Railways and Canals. They showed that freight had to be looked for outside of Canada, that the half a cent per bushel of canal tolls was a great with three barges carrying 1,800 tons of hindrance to trade, and they said that coal. The tug left with these same if the Government did something tc- barges and a barge containing 19,000 Mayor, Dr. Sullivan, James Richardson wards cheapening and popularizing the bush, of wheat for Brockville.
