A PAGE OF HISTORY.

Incidents of Interest to Butchers Changes Wrought as the Years Have Passed,

"Who were the butchers in ye olden times," asked a contemplative citizen the other day in the well nigh deserted shambles. An incident in 1830 is revived and it reminds us of the trials and difficulties of those who have gone before. At this time the market butchers occupied shambles which stood where the present weigh-house now is. The Committee on Parks met at 4 It seems that the late Dr. Sampson, greedy for water; that its effect upon the for \$1,520. This Committee will make Golden Cleaver to give up their respec-This morning, at 4:30 o'clock, a young A meeting of the Quoit Club was to brain was to cloud it, take away moral the parks look better—if they get the tive stalls, but they objected to this as woman was found wandering about the have been held last evening, but as power, and dull the conscience.
