Rev. Mr. Harris referred to his recol-At 3 PM. for Toronto, calling at Cobourg. 42 CLARENCE ST. - . KINGSTON. lection of the picture of a minister of the Methodist Church. At the bottom of it were these words, "I am Bound for the hingdon. These were his sentiments. The union of the churches was of no more importance than the union of the Sabbath schools; and now were all the scholars brought together what an immense assembly there would be . They would cover a territory of many miles, and a voice louder than the York minster bell would be required to make the children hear. While in England WORM POWDERS. recently he remarked the interest with which the people discussed the union he and the ministers behind him should be in favor of it; but as it was be intended to spend his physical, his intellectual and spiritual powers in the spread of Methodism. He proceeded to speak to the children of small things, showing the necessity for an svoidance of little evils as they led to greater ones. hoped the children would not grow weary in well doing, and that by and

bye all would meet where the surges cease to roll. INSPIRATION IN MULTITUDES. Rev. J. P. Wilson said there was undoubtedly inspiration in multitudes, and that the sight before him was quite overwhelming. He was glad to see i of the church, of the flowers, and of the perfect and the safest cough cure that can faces before him constituted a picture be procured. than which he had witnessed nothing trict now represented a large family, the largest of which Mr. Hooper, the chairman, ever had the care, and this Sabbath school meeting was the largest | Mass., in the form of lozenges or of pill which he had ever addressed. Hav. price \$1 per box, or six for \$5. Send Street ing referred to a similar meeting held in the "Guide to Health," which gives h with a grand hand-shake, Mr. Wilson reminded the children that they were going into the union as well as their weak 25 years hence. He hoped that fluence will seriously effect human healt happened, that they would be enrolled grand tonic regulator, Burdock Blood Bit as probationers and nurtured in the ters, and avoid malarial blood poisons. church as well as outside of it. The Sunday schools were distinctively Methodist, and the Methodists had ever be spared from this the nursery of the church. The great want in the country at the present time, he said, was not of

wealthy or learned or healthy men, but

f good men, and where were they to BIBLE AND THE SCHOOLS. Practice and live of reading it have

come from if not from the Sunday schools and churches. He hoped that in and building up of character -thev would not be disappointed.

Rev. Mr. Bland had not thought or game numon, the best thing that could a success. He spoke of 1884 as a cer. for this deed the Methodists would have been restored. He sketched the suc cess of Methodism, showed that it was
