A circular has been issued which says that "in view of the serious nature of the attack now being made all along the line of the prohibitionists, the brewers and wine and spirit merchants in this section have deemed it necessary to form a Dominion Protective Association. Already thirty two counties in Ontario have been selected, of which they propose forcing a vote on the Scott Act between now and the 1st of Novem ber. The association state that if the temperance men carry even a bare ma-"Maild's" Cheap Excursion to demand from the are in a position to demand from the Government of Canada a fulfillment of their pledge: 'That if the country pronounced in favour of the principle of prohibition it would be granted. At the this afternoon for his home in Ohio. He present time the whole of Prince Ed. ward Island, two thirds of Nova Scotia, and two thirds of New Brunswick, have been carried for the Scott Act, and if a majority of the counties of this province also go, prohibition without compensation is the alternative. Arrangements have been made with Mr. E. King Dodds and others to contest every inch of the territory. Every brewer has subscribed \$1,000, their distillers \$10,000 and all the other branches of the trade have been equally liberal. The war has been fairly begun since the issue of this circular, and the result of that war the whole public is interested.
