EYRE'S ACQUITTAL.

BY HELEN B. MATHERS.

ready, and the same day drove over alone to meet Lord Lovel's heir. Donne heard by chance of the expected arrival, and thought bitterly that was like his father to give the welcome to a stranger that he refused to

No doubt the fellow would be a proud, on his own and Madcap's pursuits, and this would be so much the better if he would only stick to Mr. Eyre's own side of the house, and not trouble them. Doune said nothing to his sister—how could she understand? And he did not know that the two had already met at

Lord Lovel's funeral and become friends beside his grave. Meanwhile Mr. Eyre received the boy, escape from the tyranny of holidays in

As Mr. Eyre looked at the clear-faced as all the Lovels were, it struck him DAY BY DAY could not be more than a year apart in age, yet how different in looks, bearing,

Mr. Eyre thought he might have loved such a son as this, as they went back together to the Red Hall, for the boy was fearless of him, and had, moreover, taken a liking, weeks ago, to the sternfaced man against whom his mind had not yet been poisoned by scandal. Doune heard the carriage return, and

Campbell's Cathartia | listened sullenly for a summons to go Compound is adopted for | below; but none came, and Madcap and | he had their short evening alone, as usual, until suddenly "Dad" popped into her head, and down she jumped from her high chair to go to him. Donne wrapped her up with his usual jealous care, and saw her depart in the ening brows, and the old bitter feelings

nurse's arms; then sat down with dark rising in his heart. As he had felt when his mother died, and before the softencome upon him, so he felt to-night as he sat alone and thought of how short his holidays were, and how completely Mr. Eyre would win her away from him By a hundred trifles, and without

questioning her, the boy had, during the past few days, discovered how close was the bond of sympathy between the pair; how in everything Mr. Eyre had anticipated him, even to teaching her the alphabet; how in every smallest detail of her nursery and dress Mr. Eyre's hand appeared, and was recognized by

"Dad carries me better than you do;" or, "Dad tells much pittier stories than you does." Such expressions would now and then fall from her lips, and it required the exercise of all the boy's powers to keep her beside him, and for an hour together forget the existence of

Too young to understand the situa tion, she accepted it with the unhesitat ing trust of childhood, and trotted from MACK'S MAGNETIC MEDICINE is sold by Drog- | things between father and son unnattween the two, because the boy knew Mr. Eyre had been suspected of the DAY ted to know that Digges had tacitly proved himself guilty of the crime. But here they erred. Doune had heard and knew nothing; but those who loved him might well tremble for its
