EYRE'S ACQUITTAL BY HELEN B. MATHERS.

Mr. Eyre wrote a brief reply, in which he thanked her, and said that he would take a sail in the Arizona one of these days, and should make it his business to know when Captain Eyre's ship was in port.

It was not until the 10th of the month that the "convenient season" for that sail did not come. As years went by, and gradually little Madcap outgrew the four corners of the world.

And so it was that the old man and his wife, who had been together for many years, were now separated by the sea.

And so it was that the old man and his wife, who had been together for many years, were now separated by the sea.

And so it was that the old man and his wife, who had been together for many years, were now separated by the sea.

And so it was that the old man and his wife, who had been together for many years, were now separated by the sea.

And so it was that the old man and his wife, who had been together for many years, were now separated by the sea.

Great a Popularity in so short a time.

WHAT IS THE LAMSON SYSTEM? It is the invention of a Retail Merchant in Lowell, Mass.

In detail of construction it may be described briefly as a series of elevated railways suspended from the ceiling in lines radiating from the Cashier's Stand to the different parts of the store.

There are two tracks in each line, one of which is inclined towards the Cashier's desk, so as to convey the hollow balls containing the cash and checks from the Salesmen to the Cashier, and the other, which is inclined in the opposite direction, returns the balls to the Salesmen.

The Public are Cordially Invited to the Opening of the First Elevated Railway in Kingston.

How they do it. So-called respectable people would hate considerably before pilfering our pockets in a crowded thoroughfare.

ABOUT US ALL. Constipation makes half the people sick. You are dizzy, have had breath and taste, can't eat, can't sleep, well, head aches, nervous, irritable, can't work it, can't rest it off.

Important. The Excelsior Rupture Treatment was introduced to the American people several years ago by furnishing the remedy to those afflicted with Hemorrhoids in any of its forms.
