A PARTING WORD.

Rev. Mr Harris Writes a Letter Before He Departs - What he Has to Say Of and to the People.

Dear Sir, -I cannot leave this fine old city, so full of historical and other assomy mind with regard to Kingston. They | gives the following: said it was so unattractive in appearance and only fit for those people to live in who like to follow a kind of hermit's life; a buried-alive sort of existence. Though I had never seen the city the logic of geographical and other facts seemed to repell the unsumuations. thought to myself, "How can this be? Kingston is situated on the banks of the St. Lawrence, one of the finest rivers Full fifty years had passed since she had seen | She shut the door in my face and I manding position of this continent. It occupies a comnence which must give it a most charming appearance. Its climate is clear and bracing, and the people of the same na-

tionality as those in our western cities

and towns. How such a city can be so

unattractive is more than I can com-People can scandalize cities as well ndividuals. I do not suppose for a moment that my friends had any personal antipathy against hingston, but simply repeated the gossir which they had climatic changes suffer deterioration. heard from persons who are never content unless they are having a "big po" all the time. I am sure there is enough life in the city for any sensible man and woman. There is bad life enough in all cities. What we lack in hingston is more spiritual life, and I sure it will compare most favourably in this respect with any city I have ever been in. A low me to say that I was delighted with my first sight of Kingston as I saw it from the deck of the steamer as she steamed up the river. It was a beauti ful morning when we landed. was a mist upon the water, which, like ple to come in as he is sure to sell. Wm. before the glorious sunlight which here | sign of the red flag.
