# BAKING POWDERS CONTAINING LIME.

## Why "Royal" is Absolutely Pure.

Analysis shows the presence of Tartrate of Lime in seve- government. This is the opinion of a ral brands of Baking Powder placed upon the market:

"PRICE'S" Baking Powder contains Tartrate of Lime.

"PEARL" Baking Powder contains Tartrate of Lime. "GROFF'S SNOW-FLAKE" Baking Powder contains has been no such extinction of ideas, bandmaster of the 1st Royal Dragoons which were supplied with missionaries.

Tartrate of Lime.

"DE LAND'S" Baking Powder contains Tartrate of Some Congressmen must have gone 28th and 8th Regimental bands. The the summer. Revs. Messrs. Maclean,

All BULK Baking Powders contains Tartrate of Lime.

The presence of this substance in the above-named Baking Powders results from the use of inferior Cream of Tartar in their manufacture. The Cream of Tarter of the market, from and possibly to Canada. Is Kingston see that the dominant characteristics of accepted the appointment of Superinwhich they are made, contains Tartrate of Lime in amounts prepared for such a visitation? Assur- the fathers have descended to the son. tendent of Missions in St. John, N.B. which they are made, contains fartiate of Linite in and the contains fartiate of Linite in and t contain this impurity as a foreign substance to a correspond; regard to the city. was attached, and very early began to to be held in St. Andrew's hall, Kinging extent, which is of no value but a positive detriment in We have called attention to the terrible "toot" in the band. In 1837 the regi- ston, July 22nd. any powder in which it is found.

The Royal Baking Powder is made from cream of tartar streets, and upon the heads of the mayor and Three Rivers. In 1843 it returned absence for six months, his medical specially refined and prepared for its use by patent processes responsibility of neglecting what we present veteran, joined the Royal Horse rest. The Presbytery expressed sym points strongly in favor of the nomina by which the tartrate of lime is totally eliminated. This high consider to be a very plain duty on their Guards, and as one of the Household pathy with their afflicted brother and ly important result has been attained only with great care, part. labor, and expense. In money alone a quarter of a million dollars has been invested in patents, machinery and appliances don has not been killed. But El Mahdi is by which the crude cream of tartar, being procured direct marching upon the stronghold, now weak from the wine districts of Europe and subjected in this country is not at all improbable. The False to these exclusive processes, is rendered entirely free, not Prophet is desirous of shewing some only from the objectionable tartrate of lime but from other kindness to the man who, at short noforeign substances. This adds greatly to the cost of manu- Soudan with no weapon, save his black facturing Royal Baking Powder; but, as all its other ingre- thorn walking stick. El Mahdi says he dients are selected and prepared with the same precise care, will make the General an Emir, the and regardless of labor and expense, an article is produced Independent Chieftain with very limited that is entirely free from any extraneous substance, and abso privileges and powers. If Gordon does lutely pure in all respects. No lime, earth, alum, or impurity not accept he will have to move, and of any kind can, by inadvertence or by the use of adulterated ing for a six days' walking match. articles or otherwise, be introduced into the "Royal," and it contains no ingredients except those certified by the most eminent chemist necessary to make a pure, wholesome, and nomination, and in our estimation he is perfect baking powder.

It costs more to manufacture the Royal Baking Powder land was given thousands of republican than any other, but it is, as shown by chemical analysis, the votes when he was elected governor of only "absolutely pure" baking powder made.
