_____ There are some wonderful squirmers now-a-days upon the Conservative press. These would have us believe that the These would have us believe that the several of his ribs besides severing the framers of the national policy did not limb from the body. When dashed that 240 rations at the latter point could promise anything unusual in the matter down again on the floor one of his legs not be reached. All Greeley's records 1.000 Island and Rochester Route. of employment and wages. The Brockville Times says the N. P. "brought but he bere them with petiones were great, Fort Conger, are recovered and on larger wages to the labour supply to at the expiration of four minutes the Sound I had a constant and furious Montreal...... 1871 186 of the interest thereon half yearly, as herecorrespond with the increased demand." vital spark left his body. Boulton was struggle with ice in impassable floes. Ontario...... 104 But it goes further and asserts that "the a lad about 15 years of age; and with Solid barriers of ice were overcome by Banque du Peuple 50 law of supply and demand was never interferred with by the policy of the Dominion Government."

Well now, what did the N. P. do? It gave business an unhealthy incentive, it led to injudicious and reckless investments (not of foreign capital) and when dullness came, when over-production set in, there were sad experiences, and unfortunately there are sad experiences to-day. The party of pious promises which are still felt.

Our chief industries have been closed and many of our best citizens, to earn wages of any kind, have been obliged to go abroad; and yet the Tories occasionally give voice to the silly exclimations, "Where are the tall chimnies idle?" Where are the discontensed workingmen?" and, "Who, says the national policy is a miserable failure?"

The Greeley Relief Expedition, which under the general command of Capt. WILL BE SOLD ON FRIDAY, THE FIRST Schley, and fully manned, provisioned gress in the way of building improve-1 o'clock p.m., that valuable property known as equipped for a voyage of at least two ments this year.
