The proprietor of the Ladies' Journal now appounces a magnificent list of rewards for correct answers to Bible questions. It is surpising how little is known of the Bible. The questions are not so difficult this time as last, and we should be glad if there was a hearty AMERICAN BOTTLING CO. response so as to encourage the proprie tor of the Journal to persevere in his good work. If so, state first reference. These all refer to the precious stones. Now anyone having a knowledge of the Scriptures ought to be able to promptly answer these questions with a little stron and so secure some one of those rewards. Bear in mind every one competing must send fifty cents with their answers, for which the Ladies' Journal will be sent one year to any address. If you answer each of the questions correctly and your answers are in in time you are sure to secure one of these costly rewards.
