THE SCOTT ACT:

A Letter From an Opponent of the Measure Quetationts from Scripture.

The Editor British Whos:

Dear Sir, -Again I read in your paper ten in his first letter would not but induce some to resort to much lying and could be no alcohol in the wine our a thing they have a right to. Saviour had made was on account of the insufficient time to produce it, else, why should be say "Alcohol is the product of fermentation and fermentation requires time." Of course we know that alcohol is not wine but Christ performed a miracle He could by H.s power have made one part as another in the same moment of time, how

process of fermentation. Because of this fermentation I would here remark for "Scott Act's" informa tion that is was why the ancient Egyptians drank no wine but only the juice of the grape, for in their superstition, they considered it the invention of an | evil spirit and not as Christians believe ! Mr. Henry McNeeley is very sick .- it to be, a creature of God designed for

Cana was good, and that it use was sanctioned by the example of Christ. But if he wants to know if good wine can Demorestville, being interred.
