TORY CONVENTION.

Daily British Whig

Sir John Macionald feels well, he has

certainly been very much improved in

health by his visit to England and

treatment by Dr. Andrew Clark. But

he seems to show the infirmities of age.

The loss of voice is the most noticeable

vidence of his weakened state, because

f there was anything remarkable about

him it was his voice, as full and clear

at the end of a long s, eech and at the

close of a wearying session, as at the

beginning. But he is hearty and cheer-

ful, and in spirit quite willing to as

sume the cares of office yet a while. He

thinks the Liberals would have it other

wise. Perish the thought! His polit

cal defeat may be looked for-some be-

wished in the interest of the coun-

try-but he is a rare one, bereft of the

sympathies of ordinary manhood, who

hopes for a party triumph through the

physical prostration of the premier. Such

a feeling would indicate a condition of

life which does not have an existence

ACT OF CONFEDERATION

There is no question upon which such

difference of opinion exists as upon

that of confederation. The average

Tory will believe no statement other

the union of the provinces about and

Sir John has now carefully cultivated

this belief, has referred to his perform

strange if his followers, in their blind

infatuation, were not perfectly de

mier made at the Toronto-in the de-

aptly dubbed his ante-mortem state-

provinces was, he said, originally sug-

League embodied it in their platform.

In 1864 the question was an old one

Brown, who had disagreed with the

selves in conducting the government of

western sections, and claims are now

giving them representation in the Le

gislature in proportion to their num-

our constitutional system, and conse-

the province: and that "the necessity

of providing a remedy for a state of

things that is yearly becoming worse,

and of allaying feelings that are daily

political parties, has impressed the ad-

visers of Her Majosty's representative

in Canada with the importance of seek

ing for such a mode of dealing with

the difficulties as may forever remove

Nothing further was done for some

time towards the securing of a remedy

for the widespread dissatisfaction which

prevailed. Several motions were made.

having for their object the application

f the remedy referred to by the Cana-

dian Ministers while in London, but

they were voted down, and Sir John

Macdonald was among the nays every

time. In March, 1864, Mr. Brown moved

for a committee of twenty to consider

the whole question, the committee to be

Canada. That motion was bitterly op

(then unknighted), in his speech, fortu-

nately on record, said : "To be success-

ful union with the Lower Provinces

must be a complete union. The sad

must not be morely a federal one: that

instead of having a federal one we

should have a legislative union in fact,

Mr. Macdonald had that night repudia-

ted the doctrine as to confederation of

the provinces laid down in the despatch

of his colleagues in 1859, and concluded

by adding that they had then had but

another specimen of the hon, gentle-

man's utter want of any fixed principle

in politics." And Mr. Brown had the

ear of the House and when the division

The matter was sent to a committee,

and on the 14th March that commit-

tee reported. The report was adopt-

ed; but not with the concurrence of

"Mr. Macdonald." Again he opposed it

and voted against it. On the same even-

then, and not until then, he accepted

and the suggestion for a confederation but the audience oil not see it in that of the provinces "did not come from Mr. Brown." In 1867 delegates were sent to plussed at the future of his funny busi-England to consummate the union upon ness, and so be thought be would try a a broader basis, "but," Sir John adds, "they were without the assistance of Mr. Government on a question of reciprocity with the United States." This is Sir they are paying out thou and of dollars John's version. What is the version of a week. He warted for the usual man stories" have generally brought out, but "In 1841 Upper and Lower Canada still the crowd was "mam," and he ashad, according to the terms of union, sumed a book which baled illam the the same number of representatives. who have received the givernment pap. In 1859 Hon. Messrs. Cartier, Galt and Then, said the Chicitain, there is Com-Ross, being in London, a idressing the modore Vauderbil: at the time he was Colonial Minister, declared that "very running his ferry at New York his ex. | that partook by far too much of the penses were, probably, only \$5 a week, grave difficulties now present themand look what they are now! That is how I answer the charges of extrava-Canada in such a manner as to show due regard to the wishes of its numerous eyes, stood erect, and waited for the appopulation"; that "the progress of population has been more rapid in the made on behalf of its inhabitants for preciably so on the floor of the house. bers:" that "the result is shown by an titude to his party for their forbearance in the prime of life. agitation fraught with great danger to in not shaking him off at the time of the peaceful and harmonious working of THE PACIFIC SCANDAL.

or slander, as he called it, but he was most unhappy in his atter.pt. The house was deadly silent, and the people listened with rapt but solemn attention. His old cry "false charges" and "stolen Norquay wears a slouch bat, a lumber. Wednesday night. He was the man redocuments was rehashed and served up, but either the garnishings were unsuitable or the dish distasteful, for no answering response came from the assemblage. Now he tried the "glowing statistics business, and he enlarged on the growth of the country in the forty years he had been in public life. He told how the country had increased in material wealth and in prosperity; he read carefully prepared figures written out for him large so as to be easy to read, relating to population, shipping, railways, and to transit rates, and some brief manifestations of applause simmergrowth of responsible government he gave a reluctant and ungracious stint of praise to the part Reformers had taken in this, and admitted that to the Reform party was due the fact that liberty's elected. flame had been kept alive, and government by responsible Ministers granted. He even went so far as to admit that the excellence of Canada's municipal government was due to Liberals, and tried to damn with faint praise Robert Baldwin and representatives of all the people of and Chief Justice Draper.

HR IS TIRED, VERY In the course of his address it became necessary for Sir John to refer to the papers he had before him, and the opportanity afforded by those intervals was seized by many of the audience as convenient for their exit, and they went experience on the other side proved it out. The upper gallery was now a grim | elected array of empty benches; all the rest of the Louse was thinned out, and it only became a question of how long Sir John | Auditors. would speak, to answer questions, would in principle and practice." Mr. Brown's | he talk the house empty? An unkind reply will be remembered. He said and untrutt.ful reference to the influence of Hon. George Brown in the anti-Confederation proceedings was made, and a great effort put forth to prove that that American Provinces. He spoke of the Canada Pacific Railway project, and in this connection referred again to the Canadian Pacific scandal. He said he had been accused of selling the charter. There were, he remarked, two compa nies formed to complet this work, one at the head of which was Sir Hugh Allan, and the other promoted by my esteemed colleague, the Minister of the Interior. We never sold the charter, for Sir Hugh Allan didn't get it, and Sir David Macpherson knows he didn't get it; and Sir David's face wore a grim Methanig. smile at the allusion, as though the tall ing his government was defeated, and knight was inwardly chuckling at the thought of Sir Hugh Allan despoiled of BROCK STREET, the scheme of confederation. He would bought and paid for. The Missouri Pacific will, on Japuary 1st, make a reduction of ten per cent in the wages of all engineers, firemen and hostlers, numbering 16,000 mer, and at the reduction is submitted to all to roads in the country they will follow suit

The Methodist Church in Canada owns property worth \$6,000,000; the Presly terians and Anglicans about \$18,000,000 Add the value of Catholic, Congregational. Baptist and other denominational property and the total will be \$35,000. 000. And this is exempt from taxation

News has been received here of the Gruet Stands. death of James D. Patterson, Assistant Inspector of Post Offices. Deceased went to California about two months ago for the benefit of his health. The news was quite unexpected, as the last reports. from 1 : a were favorable.

Tamothy Shea, William Wallace and Thomas Riley, New York young men, in the Elmira State reformatory, escaped Saturday night by sliding down a rope from the prison roof. Riley fell and hurt his legs so badly that the party had to delay their flight, and took refuge in a barn, where they were captured three days later and is turned to prison. They were all first grade men, and had the liberty of the corridor. They climbed up the elevator way to the roof.
