event. The race between Hanlan and Napazere is agitating for a public park. | Ross had been a subject of much interest and the agriculture is likely to result suc | for a long time, and as the period for it new solewalk is being placed on It can be truthfully said that the folks rows somewhat like Hanlan and dresses largue Street, between the Post Office at Ogdensburg were all agog. The race like him, hence the reasonableness was the sole topic of debate go where the missiontideation. one would. The dilapidated wharves were crowded with people and fringed by boats and yachts of all descriptions. The broad bridge which spans the Oswegatchte was alive with people, so were the streets. During the forenoon the air was pleasant and fresh, but by uoon it had dropped until there was hardly a ripple. But with the appearance of the dark leaden clouds in the West the wind Keys on a bunch; were picked up on | also came and the water on the course the Steamer Marquis of Lorne. The | was marked by waves with white caps. Three o'clock came and the excitement reached fever heat. Ticket vendors shouted themselves hourse in their efforts to miduce the people to buy the pasteboard that would outitle them to see the start and finish from steamboat decks. The str. Hero had the first posttion, the str. Armstrong (with its terrible mocking bird whistle) next, and so on until about ten steamers had been given positions.

MEETING WITH THE PRESSMEN. certificate to Secretary McKean, was given a place on the steamer Cygnet. | admirers of the Invincible. She and the Lancet were to follow the oarsmen. Both boats, when they left the wharf about 3:30 o'clock, were crowded with representatives of all the leading dailies of Canada and America There could not have been less than 50 cournalists aboard. They were an excellent looking company, by the byegoing to be a tremendous demand for Some were large, some small, but all Butters Smoutane. - Thus most and the fermale doctors as missionaries in all had the appearance of great smartness. Before going on board the Cygnet the St James Church Sunday School pic | press quarters were visited and the onmic was targely attended by the adults ly papers found upon the table were two as well as children twday, but the party recent copies of the Wina, in which lambed in a shower of rain.
