AN AVENGING ANGEL.

Hill Hickman, the Perpetrator of the Nineteen Mormon Murders. Dead - A History.

A Denver, Col. dispatch says the death of Hill Hickman, one of the "Avenge Angels," or Danites, whom the Church authorities, having used for years of blood and atrocity for money.

He made a confession to me, and it was terrible in its nature. I should have seen the truth came from his lips. He not only confessed to the murder of Sprague, but gave to me some particulars of 19 other murders in which he had been engaged.

He made a confession to me, and it was terrible in its nature. I should have seen the truth came from his lips. He not only confessed to the murder of Sprague, but gave to me some particulars of 19 other murders in which he had been engaged.

He made a confession to me, and it was terrible in its nature. I should have seen the truth came from his lips. He not only confessed to the murder of Sprague, but gave to me some particulars of 19 other murders in which he had been engaged.
