A SURPRISE!

The rapidity with which we obtained a large share of the Boot and Shoe trade of Kingston was a surprise to a great many.

WHAT A STRANGER SAW!

Before we had been open six months a stranger in the city, seeing the store literally packed with customers one Saturday evening, enquired of a merchant opposite if we were having an Auction.

GREAT EXPECTATIONS!

Our rapidly increasing trade does not at all surprise us. Knowing the inducements we could offer the public over ordinary dealers, we expected to do a large and steady increasing business in Kingston as we have done in Belleville and Trenton.
