Domestic Tidd's Horse Trade.

An annual innocent, childlike confiding:
That youth that reaped horses with me,
But I've known of such mild manners hiding
Duplicity frightful to see.

And a horse trade's a horse trade, dash party
In always supposed to intend
To be crooked. I therefore was hearty
In trying to keep up my end.

And he lied like the mischief I know it,
About his brown five year old mare;
Why, I wouldn't, Mr. Tidd he could do it
With such a fresh innocent air!

For my own part I make no pretension
That all that I told him was true;
What is more, I neglected to mention
Some oats my horse had that I knew.

But a horse trade's a horse trade, remember!
The day is supposed to be sold
As the oldest we get in December,
For him who turns out to be sold.

Well, we traded and, would you believe me,
I've found out by driving that mare
That the youth didn't try to deceive me,
But told the thing honest and square.

I had best bite the blame! Howbeit
My conscience is clear, understand.
If I find you have got to agree to it
In just what my course deemed.

But I've gumboil a deal for a week on
The matter. I'm anxious to see
Just what particular sort of a deacon
That youth has discovered in me.

AMERICAN PAPAL NUNCIO.

Rome, Nov. 15.—It is reported that the American Bishops have suggested that the Papal Nuncio will be appointed to the United States.

GLASGOW UNIVERSITY.

Glasgow, Nov. 15.—The election for the Rectorship of the Glasgow University resulted as follows: Postmaster-General Fawcett, 707; Marquis of Bute, 670; John Ruskin, 391.

MARINE INSURANCE.

Montreal, Nov. 15.—For outgoing vessels there is no insurance after the 15th of the present month. Inland vessels are insurable to the 30th, but at very much higher than the ordinary rates.

VESSEL SAFE ENOUGH

Chicago, Nov. 15.—The str. Argonaut, which it was feared had foundered in Sunday's storm, is reported safe at Port Hope. The owners of the barge Merriman think she is also safe.

CLOSING OF THE CANALS.

Albany, Nov. 15.—The Superintendent of Public Works has ordered the Erie, Champlain, Oswego, Black River and Cayuga and Seneca canals to be closed on Dec. 1st, unless sooner closed by ice.

A POLITICAL CONTAST.

London, Nov. 15.—The Conservative students of St. Andrew's University have nominated Edward Gibson, member of Parliament, for the Rectorship against Lowell, United States Minister.

BOMBARDMENT BY THE FRENCH.

Paris, Nov. 15.—The French squadron in the Chinese waters will be reinforced as the Viceroy of Canton is assisting the black flags. It is reported that several towns in Madagascar will be bombarded by the French.

A REBELLIOUS CARDINAL.

Rome, Nov. 15.—Cardinal Hohenlhoe, who was summoned by the Pope to Rome for the purpose, it is understood, of offering him the alternative of yielding or being expelled from the College of Cardinals, has refused to comply with the summons.

EFFECTS OF UNEASINESS.

Berlin, Nov. 15.—The North German Gazette, referring to the declining trade of France, upbraids the anti-German press and the people for keeping the country in fear of impending war with Germany, which has the effect of paralysing every branch of business.

TWO MOUNTAINS CASE.

St. Scholastique, Nov. 14.—In the election trial Mr. R. Beauchamp, M.P.P., offered to resign his seat which was accepted by the petitioner, Mr. Champagne, &c., who then abandoned his demand for the disqualification of the respondent; the latter pays the costs of the contestation.

WOMAN SUFFRAGISTS FAVORED.

Portland, Oregon, Nov. 15.—A Bill striking out the word "male" from all the election laws has passed; the Council of the Washington Territory Legislature. It passed the Lower House several weeks ago. The Governor has expressed his intention to sign the Bill. An interesting ratification meeting was held by the woman suffragists last night.

REMOVAL OF LINCOLN'S BODY.

Springfield, Ill., Nov. 15.—A gentleman claiming to be familiar with the details of the removal of Lincoln's body says considerable difficulty attended the transfer as the embalming process had not proved a complete success and the remains had to be handled with the greatest care. When the thieves attempted to steal the body they left the coffin partly drawn out of the sarcophagus.

DEPRESSION IN IRON.

Cleveland, Nov. 15.—The Cleveland Rolling Mill Co.'s steel works will close for repairs on Dec. 1st. This will necessitate the closing of the rail mills and the banking of blast furnaces. The unprofitable state of trade explains the urgent need of these repairs, which will not be finished until the market improves.

Cleveland, Nov. 15.—The other iron works here will follow the example of the Cleveland rolling mill and shut down or largely reduce the force of employees on account of the depressed market.

A CONFIDING ROBBER.

Toronto, Nov. 15.—Kenyon Spring met Wm. Armstrong on the street last evening, and although he was a total stranger to him invited him to his house, where, in his own peculiar way, he made him comfortable. They separated after a short time, and subsequently Armstrong missed a roll of bills amounting to about $80. He at once made known his loss to the police, and Spring was arrested in an Adelaide street saloon with a considerable portion of the money on him. A $20 bill which had been marked by Armstrong convicted him, and he was sent this morning to the Kingston Penitentiary for two years.

COUNTY COUNCIL.

A Hot Debate in the Chamber—Charged with Purchasing a Member—Bidding Adieu.

The Council resumed its session on Wednesday at 4 o'clock, when G. W. Dawson presented the finance report, recommending the payment of the following accounts: L. W. Shannon, $78.55; R. M. Rose, $7.98; Thos. McAuley, $129.65; Hart & Co., $20.25; that Macdonnell & Muslie's account be laid over until next session; that $10 and $20 be allowed for the Clerk and County School Inspector for contingencies.—Report adopted.

The Council Adjourned until 10 o'clock to-morrow.

THURSDAY MORNING.

This morning the Council resumed at 10.30 o'clock, the Warden in the chair. When the minutes were read objection was taken to the verbal notice of a by-law by A. P. Vanluven to grant $40 to Howe Island. The Warden held that the objection was valid and with a vote his ruling was not sustained. The division was:

Yeas—Messrs. Buck, Denison, Grant, Hogan, Murton, Quinn, Patterson, Rutledge, Vanluven, Whitney, Woodruff—11.

Nays—Messrs. Adams, Bourk, Dawson, Flynn, McKenzie, McKeever, Shannon, Walker, Williams—9.

The minutes were then signed.

REPORT ON COUNTY PROPERTY.

Mr R. Flynn presented the report on County Property as follows. Since the June session the Chairman employed Messrs. McKelvey & Birch to overhaul and refit the hot water heating apparatus, and have it placed in a thorough working order by having all the valves repaired which were repairable and a number of new ones put in on an approved list of prices. Since the apparatus has been in use this fall it has given every satisfaction and there is every reason to expect that a much smaller quantity of fuel will be required in the future. The tolls on the Kingston and Napanee road for the next twelve months were satisfactorily sold and the contracts for gravel awarded. The leases have been duly executed. The following were awarded the contracts for rations and supplies, and for wood, for the gaol use in 1884: W. H. Reid, for rations and coal oil; Elijah Joyner, for wool, and William Dillon for boots and slippers. The Committee recommended the payment of the following accounts: McKelvey & Birch, $204.89; Newland & Son, $18.85; T. Macaulay, $7.63; J. Reid, $30.71; J. LeHeup, $1; L. W. Shannon, $19.50; Muckleston & Co., $3.68; R. Crawford, $106.13; Chown & Co., $13.03. The Committee further recommended that Hugh Wallace's petition, asking for a reduction of rent on toll gate, be laid over till next session.

An amendment was carried, that Mr. Wallace be relieved of one-half of the amount of a protested note for $78.

The report was adopted.

DANGEROUS RAILWAY CROSSINGS.

It was moved by R. Flynn, seconded by Mr. J. Adams, that whereas at various places in this county crossings on the Grand Trunk, K. & P. RR. and other railways are dangerously constructed, whereby serious loss of life has occurred in the past and, unless remedied, will be the cause of still further loss in the future; and whereas, by an Act passed by the Dominion Legislature during its last session, power is given to the Railway Committee in the manner therein set forth to cause such crossings to be so altered and constructed as may appear to said Committee the best adapted for removing or diminishing the danger arising therefrom; be it resolved that the Reeves of the municipalities interested be requested forthwith to make out and furnish the County Clerk with a list of such dangerous crossings and that the Warden and Clerk be a committee to draft and submit a memorial to the proper authority to procure the alterations thereof in accordance with such Act.—Carried.

ROW OVER A GRANT.

The by-law to grant $40 to the Township of Howe Island for road purposes was introduced by Mr. A. P. Vanluven. The Council went into Committee of the Whole on the second reading, Mr. J. Adams in the chair. When the report came up for adoption.

Mr. A. Flynn declared that the grant was nothing more nor less than a purchase to prevent the proper expenditure of money in the rear of the county. The money used in the front was a humbug, while the expenditure in road grants in the rear was a source of great good.

Mr. A. P. Vanluven said that the people of the front paid the piper and they should have the right to do with their money as they liked.

Mr. D. J. Walker said it was inconsistent to give Howe Island a small grant and pass over the poor townships in the rear. The weaker declared that the Reeve of Kingston had jumped Jim Crow in this matter. The Reeve of Portland had been righteously indignant at a previous meeting because $40 had been asked to improve a public road. Now that the gentleman had secured the height of his ambition it was fitting to see him jump Jim Crow. The motive that prompted the by-law was an unjust one, and he defied the members to take the money out of the treasury.

A DEBATE NOT BEFORE.

Mr. A. P. Vanluven said the Warden's election was secured by promises that he could not now carry out. He insisted that Mr. Walker had been very inconsistent in the past.

Mr. Walker was not surprised, he said, at the expressions of the acting Reeve of Kingston. The minutes would show what his course had been. His assertions in regard to the Wardenship were erroneous. The representative men of the rear townships had never asked for a pledge from him. In 1880 the front men had elected him. He said he had been returned by a majority of the ratepayers—an evident thrust at Mr. Vanluven.

Mr. G. Denison said he would oppose anything that was unjust. He stated why he opposed a grant to cut down a hill lying between Portland and Stortington. A man had bought a farm there and wanted the money used to suit his convenience. He could tell more of this matter if he liked.

Mr. Walker asked Mr. Woodruff if he (the Warden) owned a farm near Conners' Hill.

Mr. Woodruff did not know that he did. He (the speaker) had introduced the resolution.

Mr. Rutledge said Mr. Walker's property was three miles from the hall in question.

PLEADING HARD FOR PEACE.

Mr. J. Hogan poured oil on the troubled water and urged the dropping of all animosities at the close of the year. He gave his reasons why the grant to Howe Island should be sustained.

Mr. G. W. Dawson said the proposition for the road grant to Howe Island had been greatly changed. The members from the rear of the county were not opposed to the granting of road grants, but to the principle of selecting one municipality and passing over others more needy than Howe Island. He pointed out the destruction to roads by the lumbermen in taking in supplies. At times the present supporters of the road grant were strongly opposed to all grants. They were sent by the electors to prevent them, yet they were now anxious to help Howe Island.

CONCLUDING THE DEBATE.

Mr. R. Flynn wound up the debate in a good natured speech. He claimed that the grant was given to prevent the back townships from receiving anything and in recognition of Mr. Quinn's action at the last session.

The by-law was read a third time, passed, signed and sealed.

The salary of John Ashley, caretaker, was increased by $25.

A MOTION PROPERLY LOST.

It was moved that $40 be granted to each of the following Townships to assist in the construction of new roads: Oso, Clarendon, Olden, Palmerston, Hinchinbrooke, Barrie and Bedford.

The motion was lost on the following division:

Yeas—Adams, Bourk, Dawson, Flynn, McKenzie, McKeever, Murton, Shannon, Walker, Williams.—10.

Nays—Buck, Denison, Grant, Hogan, Quinn, Patterson, Rutledge, Vanluven, Whitney, Woodruff.—10.

A PLEASANT TERMINUS.

A hearty vote of thanks was passed to the Warden for his efficient services during the past year.

R. Flynn took the chair and the motion was passed.

Warden Walker tendered his acknowledgements. He was happy to say that he left the Council, pleased with the courtesy and civility the members had shown him. He congratulated the county upon its prosperous condition. It was all that could be desired. The taxes were less than ever and the interest on deposits in the bank more than paid the Treasurer's salary. The members of the County Council for their labors deserved the hearty commendation of their ratepayers.

The drainage in the gaol will be attended to by the Chairman of County Property.

The Council adjourned *sine die*.

B. M. Britton, assessment of Brokenshire's property reduced to $2,000.

Ontario Building and Saving Society, (per B. M. Britton) contended that the interest on mortgages was not assessable. Assessment confirmed.

Canada Life Insurance Company (per B. M. Britton) objected that the agent cannot by name be assessed for the income of the Company as it is neither in his possession or control, nor is he interested in it in any way. J. T. White said the Company received all its incomes at the head office. He had no way of determining the income of the Company at this place. The witness declined to answer the question, How much per premiums did you receive last year? He did this under instructions from the head office. Case adjourned to Dec. 3rd. Two other insurance cases heard and likewise adjourned.

Plain Truths!

The blood is the foundation of life, it circulates through every part of the body and unless it is pure and rich, good health is impossible, if disease has entered the system the only sure and quick way to drive it out is to purify and enrich the blood.

These simple facts are well known and the highest medical authorities agree that nothing but iron will restore the blood to its natural condition; and also that all the Iron preparations hitherto made blacken the teeth, cause headache, and are otherwise injurious.

SULPHUR AND IRON BITTERS will thoroughly and quickly assimilate with the blood, purifying and strengthening it and thus drive disease from any part of the system, and it will not blacken the teeth cause headache or constipation and is positively not injurious.

St. Johnsbury, Vermont Oct. 7th 1883.

For six years I have been a great sufferer from blood disease, dyspepsia and constipation, and became so debilitated that I could not retain anything on my stomach, in fact life had almost become a burden, and when hope had almost left me, I was induced to give Sulphur and Iron Bitters a trial I am now taking the third bottle and have not felt so well in six years as I do at present.

MRS. S. J. MOORE.

SULPHUR AND IRON BITTERS effectually cures dyspepsia, indigestion and weakness, and renders the greatest relief and benefit to persons suffering from such diseases as kidney and liver complaints, dyspepsia, indigestion etc.
