DR. GRANT'S POSITION. Principal Grant on Saturday evening addressed the Senate of the University upon important College matters.

The Toronto World is the foremost and most reliable of all its assailants. It changed him, in a late issue, with collecting money from two Presbyterians for theological purposes and misapplying it. This is a libel which a more credible man than the Doctor would have to rebut.

THE MAYOR EXPLAINS. Our Chief Magistrate, at an early stage of his evening's meeting of the Council, with singular impudence, repeated the police clothing question.
