Winnipeg was destined to | ed the questions asked by Mr. Mowat. METHODIST ORGANIC UNION.

The Conclusions Intermally Reached-Formulating a Basis of Unity.

On the afternoon of Thursday, 15th of December, certain Ministeria brethren of the Methodist Church Canada and the Methodist Episcopa. Chrurch, met by mutual agreement in the M. E. Church, Morrisburg, to converse in an informal manner about the Saskatchewan. Mr. Carey says that desirability of an organic union between these two branches of Methodism. clerical friend sends us the information, is any amount of land and for the latter embraced in a circular letter, that in all present that this consultation was merely preliminary, informal, unofficial, and representative only of individual opinions. But it was thought that if ther thing, there were lots of clerks for the brethren present could see no insuperable barrier in the way of union, it might be worth while at a later period to take such steps as would immediate ly lead to an authoritative discussion of the question by the respective churches at large. The interchange of views was unreserved and most cordial. While of course nothing was done by way of formulating a basis of union still it was the unanimous opinion ot all present,

(1) That such a union is desirable; (2) That there are no insuperable barriers in the way of its accomplish. ment; and

(8) That a convention be held in Irofrom Winnipeg, nearly supply the city quois on Wednesday, first day of Feb. with eggs, butter and vegetables. They to be composed of all the Ministers and tively, for the purpose of discussing the subject of Methodist union, and if the Jan. 5. way seems clear to take such further, steps as shall bring the matter before the churches in an official way. It was further agreed to communicate with the ministerial and official lay brethren on the aforesaid districts, requesting their hearty co-operation in the proposed con-
