Mr. Walker then proposed the "Health of His Honor the Warden," a gentleman held in high estimation as a farmer and gracefully. The County was well pleased legislator for his township. Mr. Fair with the settlement with the city. replied gratefully, and promised to do his very best for the interests of the plied. county. There was a very good Council this year and he was greatly pleased with its courtesy.

The Warden proposed the "Health of His Worship the Mayor," who acknowledged the kindness of the sentiment, but pleaded a want of preparation. H was pleased to meet as Warden a friend who meant well, worke i hard, and was honest. The city and county had not pull. ed well together, as all present knew, but better relations were established last year. He believed that the county Councillors had given greater attention to matters in dispute or under settlement, and had until lately got the best of the city in jury and gaol matters. He hoped the present amicable feeling would continue, but that the city would be granted a representative upon the Board of Audit. He opposed the taking away of market tolls: the farmers would

not surely ask for privileges they would not pay for. The county should also be more liberal to the House of Industry, to which many of its poor were sent. For the city, he said that eco-Nearly all the claims for damages by nomy during the past three years had late J. R.
