And thro' the tranced woods soft airs are stream

-----PENTENTIARY AFFAIRS. The Secret of Success in Mingston Prison -A Well Intormed and Discrect

Sir, -The following facts about the mony of the institution. management of the Kingston Penitentiary, up to a very late date, while the ten misconstrued even by those he has public mind is directed towards the materially aided. Sometimes he will workings of that institution, may not be uninteresting to your readers.

Warden.

Every intelligent and observing per son who has any idea of the consummate trickery of the varied classes of criminals securely lodged in a great institution like the Kingston penitentiary, will, after a visit, naturally be at a loss to understand how it is possible to keep up the clock-work-like regularity that prevails in every department at King-It is not surprising that the WHIG and other journals, in the interest of the public, should sometimes ask why the sister penitentiary at St. Vincent de Paul should cost double per capita for Zopesa an every day necessity in management, and present otherwise such a sorry result compared with Kingston. It acts gently and speedily in I have been long interested in this ques-Billiousness, Costivoness, Head- tion, and have examined all the sources ache, Sick Headache, Distress af likely to throw light upon the subject, ter Eating, Wind on the Stomach, including the elaborate blue book re-Heartburn, Pains in the Side and ports made by the Inspectors, Wardens, things. offences is the real key to the harmony

Following the same Liberal line of onduct with his officers he quietly tells them of their faults, points out the day they are incurring, gently admodiscovery increases the risk and dimi ishes unfaithfulness in the sub-officer while some it cures entirely. Nothin they cando, be it great or small, but the Warden knows. The faithful and eff tery. The Warden is no spy and has told his officers that unless they indiv dually assist in maintaining the credit of the establishment they might force him to a personal vigilance for which he would be very sorry. Summer and winter, the whole week through, in sunshing or storm, he is the first man on the ground and the last one to leave, doin all his own work, and too often many duties of others. He is at all the meals in the dining hall, where he is very strict, but will never ill-treat a prisoner. remind him of his humiliation, or turn away from his complaint. In the yard or workshops there is less of the Warden and more of the man visible. In his office you find yourself at home and can explain your business, present your request, or state your grievacce, feeling perfectly at home. All a prisoner de sires is his promise; it is as good as his I thought he used me rather roughly during my first year's imprison ment, but he knew me and my disposi tion better than I did myself, and though

rarely coming into personal contact with him. I have of course shared in the har Like all public men his conduct is offeel wearied with the burden of the undertaking, dispirited by the ingratitude of those he has betriended, and annoyed by numerous petty attempts to weaken his hands, but he continues his
