### \_\_\_\_ A Satisfactory Explanation.

DEAR SIR .-- In reply to the article published in the WHI3 of the 16th inst., in relation to carpenters engaged to go to British Columbia, I am authorized by Mr. Onderdonk, to say that it was at the request of the men themselves that two year's service was stipulated. Any men who do not care to enter into an engagement for that length of time need on the same, conditions as set forth in the agreement until they have repaid the advances made for fare, meals, &c. The lowest possible rates, (consistent with comfort for taking the men to the place of designation will be secured. is presumed that the rate will not exceed \$110 per man, but the rate for meals, &c., being undefined it is difficult

As to repaying the expenses, not over \$80 per month, until the money advanced is repaid, will in any case be kept back. I am authorized to say that the men will be fairly and liberally treated. An English correspondent tells of the and good honest men need be under no case of a well known nobleman in Lon- apprehension in this respect. Payments each month, and drafts will be furnished actress. He adds that hardly a week | the men, payable where they wish, at Yours truly,

Feb. 17th, 1882.

W. H. HARMER.

Monarchy, as a system, has its drawbacks, but we would remind our Ameriat the British on being asked to provide an income for Prince Leopoid and wife that a vote of money by parliament in this way is far better than to have the public treasury robbed by political venturers to provide for their families, as is the case under every administration at Washington. England makes provision openly for the Royal Family the United States makes provision only not royal but not even respectable -Ottawa Free Press.
