While it is truly said that the rough, treatment accorded to Mason, who mere ly shot at Guiteau, and the tendernes. with which the assassin of the President. himself is treated afford a romarkable contrast, the Rev. W. B. Affleck Wellin far beyond the regions of common sense! in a recent Toronto sermon when he an ugly encounter, seem to have said that it was a libel on justice that | ocen amicably settled. They were bill Sergeant Mason should be degraded und sent to prison for having discuarge ilis. rifle at the griuning assassin, Guiteau . His remarks were applauded We are sorry to say that the remark was ap plauded. No matter how people may sympathize with Mason in his patrictic yet foolish effort to avenge Garneld's death in response to a wide public sent. ment, he grossly betrayed his military trust and broke the civil law, therefore could not hope to escape punishment The difference in treatment arises probably from the exercise of stern military discipline on the one hand, and the other. Then there always is a difference | the homes of the mound-building gopher, in distinguished weight between a suc are numerous. cessful and unsuccessful assassin or

The market lease will have expired in a few days, and so far no provision has been made for renewal of the service of collection. Simultaneously with the ending of the lease comes the new market law, whose actual effect o the city's revenue no one can foretell. As finally passed it is much more favo able to cities and towns than the original draft of the Hon. Mr. Wood for this session, he and his fellow ministers having given ear to the remonstrances of the civic deputations. But yet a deal deaccordingly, and a much prized competition lessened. Meanwhile the shopthe tenderers are likely to be few and They are equally allotted to classes in the Queen's plate is to be run for here cautious, would probably test lie in col- | writing, grammar and arithmetic.

lecting the market dues for one quarproper assistants. The operation of the new law having been once established then tendering would go on, as usual, with confidence.
