Only five men were able to go the scenery along this route was so frozen up to reef their topsails, and it | splendid farming country is here to be was fortunate they did so, for they seen, through the state of Michigan and would not have been able to do so when part of Indiana. It looked like the first released. When some distance west of of May without, the fall wheat being a Cape North they fell in with a North splendid sight. In one place in Indiana. American trader, who supplied them beyond the town of South Bend, with some provisions and two men to men and horses were out in the fields

> WEST FROM CHICAGO. Bidding farewell about 9 p.m. we took the Milwaukee route for St. Paul, arriving there on Saturday night at ? p m. This route is mostly along the Mississippi Valley. The scenery is beautiful. It is one rise and fall after another on each side. The river appeared to be dotted with Islands. But there was a wonderful change of climate in twenty four bours; it never ceased to rain the whole day till we arrived at St Paul, here everything was mud outside the track. One fellow declared that his foot sauk down and being in a hurry to get into the car, pulled for life and death, and succeeded in leaving his boot where it sauk. This is a great city but awful ly scattered. There was trouble and confusion for us as our train wasso large

Weleft the musty car we had sat in from Chicago, a distance of nearly five hundred miles, covered with a good sample of pea nut shells, and tobacco juice, with a few bushols of cigar stubs. The change seemed for the better just then, but trouble was ahead. Carloads of muchinery and baggage formed the other train which has not arrived yet, and no account can be got where are

NOT A FAST TRAIN.

miles to the Southward the chimate left | twenty five miles for that was the dis to us like summer. While sailors on tance mabout twelve hours.
