at Provincial Fair time. Our Tory friends, and the press which has slavishly defended the acts of the present Government no matter how bad and corrupt they have been, will get what they have been crying for -the policy of the Opposition. It is being formulated, and in a way that is not at all pleasing to the Ministernalists. Before the House of Commons rises there will have been a series of important resolutions moved, setting forth the position of the Liberal party upon some of the most important issues now before the country. Two of these motions have already been moved, that disapproving of the Underdonk job-the awarding of a tender at over \$200,000 done for but the technical posing of the Minister of Railways-and a motion calling for the removal of the duties upon coal and breadstuffs. Declarations such as these must strengthen the Oppoupon them, must elicit a favorable res-

Weller's Bay was formed by nature as a harbor of refuge, and was free of obstructions, whereas the mouth of Presqu' isle would require very considerable improvements before it could be made

Sir Charles Tupper fully recognized the importance of the subject. In fact. after the large expenditures that had been made by the Government on the Welland Canal and other such works, it was necessary to carry out the work now under consideration in order to have a safe place of refuge on the long stretch between the upper harbours o the lake and Kingston. When he had beer only a short time in his present office he had gone into the section most in order that plans might be drawn up and tenders issued. He awaited his de-
