This prominent and intelligent part than any 000,000 to 400,000,000. The speaker dwelt upon the extension of Christianity and claimed that it was the grandest was the gra and claimed that it was the grandest was viewed not only as an expression of scheme for civilizing, educating and divine love, but it was the great event redeeming the world. He referred to by which the policy of reconciliation by which the policy of reconciliation

ANSWER TO ENQUIREES.

Policy .. Dr. Orton's Beamerans Sir John Macdonald will never forgive Dr. Orton for creating the agricultural boomerang. The Dr. was a great adduty, on the eve of an election, to show

lator who counted his chickens h showed how strongly the ruralists were Would Canadian agriculturists be be nefitted by the admission of American ple, and to try and be useful in this produce free of duty? The Globe proceeds to give publicity to the facts which it has carefully collected. It gives the following information to the questions submitted, the evidence being overwhelmingly against the National Policy (1) What has been the effect of an im-God; but those things which are revealed be-long unto us and to our children forever, that coarse grains on the price of coarse grains in your section? Specify as to corn,

The revelation of truth, though par- peas, oats, rye and barley. Anything approaching a general conthe text indirectly hinted that while demnation of the corn tax means death to we should make reasonable use of our the N.P. Let us see what is the opinion of faculties, in understanding the revela- opinion of the farming community on the tions, we must humbly refrain from subject. Up to the present time 253 anpenetrating those things which are swers to this question have been received hidden from us. It is our duty and our | 258 being hostile to the national policy privilege to study what God has reveal and 18 in favour of it. Some 131 condemn ed, so that we can sympathize with Him | the corn tax in general terms, and 104 and co-operate with Him in carrying out express their opinion on various mat-

> (2) What has been the effect upon the price of wheat and flour produced by the duties imposed on these articles coming from the United States? Specify the effect on different classes of spring and fall wheat.

As many as 256 correspondents replied to this question, 245 gave answers distinctly hostile to the N.P., and only 11 give answers favourable to the N.P. (3) What has the effect of the increased duty on live hogs, dried hams, bacon and lard been upon the average price of these articles in the Canadian market? The replies are that the price has been raised, but that no good has been done to the farmer.

(4) Has the increased duty imposed on horses and other live stock increased the market price by giving the Canadian farmer the home market, especially in Manitoba and the North-West? Only 10 out of 256 replies to this question are favorable to the N.P. The other 246 clearly say that the American market is our best, and that the Americans are not likely to send much live stock into Manitoba when they have to

We may join others in saying to Dr. Orton, "Lay on Macduff, and blamed be

purchase from us to satisfy their own

Lennox and Str John.

DEAR SIR, - It appears to me that Sir John does not take very kindly to defeat, and is afraid that Lennox will not want to wear the cast off boots of King ston, and hence the many missionaries who are out through the county in pairs carrying "pass books" or "missionar uverile cards" or something of that kind to try and find out how the people or we tring old clothes, and i t tak well to a pawnbroker's Right Hou. briber will likely turn his weary feet to "pastures new." It is a bad sign when the First Minister is defeated over and over again where he has always lived, and where, if he has a good quality, it would surely be known. would suggest that it would be the safest way for the Right Hon. Chief to reserve, if possible, his present seat in British Columbia, as it is not reasonable to suppose that so respectable a county as Lennox would want to take as its re-
