The elections in Prince Edward Island yesterday, for the Local Legislature have probably ended in the defeat of the Government; if a rout has not occur red the Ministry will be so weakened that there may be a difficulty in admin setering public affairs. The result now one of more than usual interest inasmuch as the elections were precipitatlation to the Tory party.

In the absence of positive information He rarely says anything during his as to the origin and connection of the meanderings up and down the short corassassing there must continue to be ridor. He hopes for clemency and give speculation in regard to the purpose reasons why he should receive it. To they had in view in taking the life of several he has said that he shot Richshe Chief and Under Secretaries of fre- ardson, but he attributes his crime to land. One says the murders were the jealousy. He was wronged, he says, result of a political conspiracy, another and stole the gun, bought the powder, miles from Dublin on the Chapelizod that they were intended to keep up the shot and caps, and on Saturday struck borse bathed in sweat and galloping agitation in that unhappy land, still down one of the alleged destroyers a very rapid pace. Four men were in another that the perpetrators of the of his happiness. He claims that the car, and appeared to be in a terrible awful crime were Americans, sent to his wife was unfaithful to her mar-Dublin with a bloody commission, in riage vows, and on these grounds his This he was unable to do in time, and the execution of which they may have jealousy was engendered, and on these as the car pulled up to prevent a colli- solved, "that in common with the Land blundered, massacreing at least one grounds he hopes for pardon. A rumour was current that the car driver had been found beyond Lucan with his throat cut, mourning. but there was no confirmation of the report given by the police.

PROCEEDINGS OF PARLIAMENT. London. May 8.-Interest was at tached to the first meeting of Parlia. ment since the assassination. The arrival of the members was watched by a large crowd, which vented its opin. ious in mingled groaning and cheering. Many members wore mourning bands on ther hats, and some of the ladies in the members' lobby were also in mourning. In the House a solemn stillness prevail ed. Mr. Gladstone on entering was greeted with subdued applause, which he quickly acknowledged, and taking his seat he shaded his face with his hand, His speech was delivered with difficulty and was filled with halting sentences, a most unusual thing for him. He was followed by Sir Stafford Northcote, Mr. Parnell, Mr. Forster and Mr. Lowther. Mr. Forster paids a tribute to the high character and ability of the murdered men. There was an attempt on the Opposition side to raise a hoot against Mr. Parnell but at the stern cry of "Order" from all parts of the House it was in-*stantly repressed. The proceedings lasted only twenty minutes, and were remarkable for their impressive inten-
