The Late Vest Case.

To the Editor of the British Why.

DEAR SIR, -Allow me to refer to the case brought before the Police Magistrate on Friday last. I was present when Charles Smith visited my store on Thursday evening and offered for sale a vest. Mrs. Pointon said in emphatic terms that she did not wish to 15 cts. and became the property of Mrs. Pointon. On Friday morning, after seepolice authorities and he was arrested while in the act of disposing of the vest, probably for 15 cents more. Now to every intelligent reader it is very plain that Mrs. Pointon acted judiciously and pursued the same course as the law would have directed her. She was free from blame in every sense. If there invented and used solely for the pur of paying a license to the Council of this noble city if we are not pretected accord. ing to the law which enforces that license of \$20 per year. We should be protect. ed when doing right and endeavoring to keep our store as prudently and honest ly as any other business in the city. GEORGE POINTON

FEELING OF THE PROPLE.

Vesterday on Capel street, a crowded thoroughfare, some hundreds of men gathered round a car whose partly red panels and nearly obliterated number rad aroused their suspicions. They insisted on the police taking it and the driver to the station for identification. The investigation proved satisfactory Still this is considered a most significant change in public opinion as compared with the reluctance of the populace in every previous crisis to assist the authorities. This improvement is meeting of that body to-day, presided over by the Lord Mayor, at which they unanimously passed a resolution expressing horror, grief, and detestation of the hideous crime, which, as in Cork. they universally lay to the door of American agents of O'Donovan Rossa.

THE AMERICAN IRISHMEN. At the Cork meeting for a similar object some one who was present handed the Mayor a copy of a telegram he had received, which contained the following

remarks made on Monday by O'Donovan Rossa, in his paper: "It is well to understand that it was not the mild-mannered man "Lord Cavendish" that was killed; it was the the chief agent of the English tyranny and robbery in Ireland. And perhaps, too, he was killed on account of being in bad company, for this Burke that was killed with him was about slimiest toad living. He was Forster's | victims have thus far been recovered. civilized in prison to have him released; it was he who was in the Castle when we were arrested in 1858 and again in 1865, and as some telegrams say to-day, he was the real Governor of Ireland. which he was, so far as coercing, arresting, and releasing men were concerned. the borders of the promised land and thing nice.
