Her voice brings the old man back to the last night with a raft from Hamilton for world again, and the play thus enus Prescott.

The proper production of so good a play required a strong and efficient company, and such is that bearing the credentials of the Madison Square Theatre. It is evenly balanced-not a combination with one or two stars whose light flickered as it were at occasional intervals and serves best to exhibit the contrasts in histrionic ability, but an or ganization each member of which is an artist. There is no comparison between last night's performance and those of a similar kind which have preceded it. I one has been fine the other has been superfine. A particularization of characters is scarcely necessary. Miss Arpeasant girl, the constant lover, the wounded wife and wretched outcast, was remarkably clever and affectingly real; Mrs. Ada Wight ("Lady Travers") delineated, as few can, the gesture, voice and frailty of an aged invalid, the anxiety of a mother and the purpose of a determined woman; Mr. Archer acquitted himself well as "Lord Travers, devoted, manly, well-intentioned, but overwhelmed with difficulties, preserving ing of the jury a different verdict should Song-I'll take you to your home, Kath. family honour at the sacrifice of personal happiness. CITY FIRM ARRANGEMENTS

Brigade and Apparaise Not Yet What

They Should Be. visited by a fire that leaves her half a million dollars poorer, it suddenly oc JUMMER curs to her citizens that the department arrangements are not ample enough, and that she must make substantial additions. Racine can appreciate that sigh of the baffled Dutchman, "O if mine that there is more than one city, and the others nearer home, which again some day will have occasion to realize the Dutchman's feelings. The unstayed burning of property at midday, withshe was married to a man named Day- in fifty yards of a hydrant, is not a comton, with whom she had lived for nine fortable or creditable sight. At Wednesday's fire some little water was thrown on Mr. Kennedy's houses, but Dayton (one of the Madoe burglars) was | none on Mr. Flanagan's, worth at least \$4,500. This is too reckless a sacrifice to be weighed against the interest on

of the city has been fittingly illustrated by this last sweeping destruction. The Brigade that was powerless against two houses would be nowhere were a dozen to be attacked, as would be quite possible at night under a similar shower of for about 9 years in the States, but that | yet. What was the exhibition made on Tuesday? The horses were at work a long distance from the station, where after the alarm. Then a powerful engine attached itself to a hydrant that could not afford a decent stream ter another engine arrived and employdom about the 1st of May, and before ed every available foot of nos in forcing May 18. anywhere along the time would have cut doubt the person to whom we refer is off the stream. It was not until the houses had literally burned to the ground that a powerful force of water was available.

The Mayor should advance the Water of water. He should also incorporate with it a scheme for an uptown engine house for the Chatham steamer, with the mechanical engineer in charge and with three horses constantly on hand. Upon an alarm the engineer could move out at once, and save much valuable time. Meanwhile the horses at work on the streets could hurry to the lower REDUCTIONS engine house and upon a second alarm, in case of serious fire, bring out the Merryweather. The stoker is quite competent to take charge of the latter, having done so well with the Chatham on Wednesday. This, with a better supply of hose, would make a vast change in the Department's accomplish-

Kingston & Pembrok: RR. Extension.

The grading of the railway from Lev. The steamer J. F. Maynard is being cher's pourtrayal of the impressionable fitted out at Clayton. She will make a ant to Caldwell's Mill, Clyde River, is trip to Kingston from that village on being pushed, and it is expected that by June the work will be completed. The The Richelieu Company's steamers line will then be laid with ties and rails, extensive repairs at the Wellington Ba. road will be in operation. The northern extension will then be 20 miles in length. The schr. Florence Howard, which Last evening Mr. J. D. Flower, Vice was out in the last gale with a cargo of President of the Road, and P. D.
