A WALK IN BRITISH COLUMBIA. Where flows the Frazer, in the West, -Amid Columbia's valleys blest,-

Two rustic youths walk forth to seak The summit of a Cascade peak. When up the mountain high they go They see the vale far down below

Its beauties lie before them spread. While they ascend this lofty track, They reach the brow of Chilliwheek. The rolling prairie clothed in green.

Lying within the Cascade Mountains,

Old Tommy High they well discern, Towers above all others' orest.

The plain is all within their sight, Their souls are filled with keen delight

O'er which the sunbeams brightly gleam. But now their eyes new vision take. They see the crystal Sumas lake-

A pearl above the fairest gem.

Is far above you hillock bright. As now towards home their staps they tread

To heaven their thankful thoughts ascend, And bless the loving Father's hand, Which made for them this scenery grand

following despatch dated Lena Delta. bodies of Delong's party on March 23. ville's search party first started from the supply depot to follow Ninderman's route from Usterday to Malvey back towards Usturday. They stopped at the place which Ninderman and Noros passed the first day after they feit Delong. Feeling sure that the others bad not got much further, there they Biliousness A single dose relieves, a sample | tound the wreck, and following along the bank they came upon a rifle barrel hung J. S. DENNIS, JR. D.L.S., late Surveyor to the Hudson Bay Co.; HUGH C. DENNIS.

Williams digging on each side of the sticks, and they soon came upon two bodies under were digging towards the east, Melville went on along the bank, 20 feet above the liver, to find a place to take bearings. He then saw a camp kettle and the remains of a fire about a thousand yards from the teut, and approaching, meanly stumbled upon Delong's hand sticking the edge of the bank. Here, under about a foot of snow, they found the bodies STEVENSON, of Delong and Ambler about three feet apart, and Ah Sam lying at their feet, all partily covered by pieces of tent and a few pieces of blanket. All the other. except Alexis, they found at the same time and place where their tent was by in a cleft of the bank towards the west. The boxes of records, with tho boots. Their feet were covered with rags tied on. In the pockets of all were which they had been eating.

of all were more or less burned, and it looked as if when dying they had crawled into the fire. Boyd was lying over the fire, and his was burned through to lins face was covered with a cloth. All the bodies were carried to the top of a hill, three hundred feet high, about forty versts to the south-west from where they were found, and there interred in a mausoleum constructed of wood from the scow, built in the form of a pyramid, twenty two feet long and seven high. surmounted by a cross twenty-two feet high, and a square foot, hewn out of driftwood, and conspicuous at a distance of twenty versts. The mausoleum was covered with stones and will be sodded in the spring. The cross is inscribed with the record and names of the dead, cut in by the search party. After com pleting the tomb the party separated to search the Delta for traces of Chipp's people. Melville went to the north-west part of the Delta and went as far as the Olenck river. Ninderman took the cen tre and Bartlett the north-east. Ninderville has not yet returned. The search finish in time to reach Yakutsk or Venkhojansk before the rivers break up. If
